## SEPTEMBER 10, 2017 BULLETIN RAY'S REMARKS:

*THE K.E. FAMILY LIFELINE*

The Lord blessed us all with another great weekend. It was so wonderful to have some of our brothers and sisters back with us who have been out for a while due to health issues. It was so good to see Maegan and Marge at services. Also, brother Leroy continues to improve from his knee surgery. As well, Laurie Slider is still recovering well from her severed finger and it is looking like she might even be able to keep it. Let's continue to pray for them and others who have special needs.

We learned today that sister Myrna went to the hospital and that they put her in ICU. She has been struggling a lot with her health lately. Let's keep her in our prayers. We will give you further updates on her condition as we get the information.

Well, our fall meeting is now set for October. We had to move our previously scheduled date a week back to accommodate the speaker's schedule. Our meeting will now be October 15-18, 2017. We are excited this year to have brother Kendall Fox with us. He is the preacher at Pacifica, Missouri and is a very good speaker and very faithful man of God. We are going to have a great opportunity to grow as Christians. I hope you all will mark your calendars and invite others to be a part of our Fall meeting.

I was able to talk with brother Williams in Ghana the other day. Everything is going really well with the school. They are still very happy and encouraged from having Dad and Mom there for several weeks. I know that the work in Zambia and Uganda are going well also. We are so blessed to have a part in these good works. Let's continue to pray for them all as we do the work of the Lord throughout Africa.

Finally, I look forward to seeing you all tonight for services. Our mid-week gathering is a great opportunity to find encouragement and strength to push on through the rest of the week. I hope you will take advantage of this wonderful privilege of service to God. May God bless us all as we strive to do His Will and as we obey all of His precepts.

Hebrews 4:12-13

*For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.*

*And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account.*

# ELDER'S CORNER:

Many of our number are dealing with serious health problems. What a joy to have Meagan and her family with us Sunday morning for worship. Continue to remember Meagan in your daily prayers. She will be going to her doctor this week for a report on what treatments will be given to assist her in her recovery. Sister Myrna Schmeiser has been admitted to Mercy ICU #6111 to be treated for dehydration and a severe infection. She is on a ventilator now. We are happy that brother Leroy Hathcock is recovering from his recent knee replacement. Many others need our prayers, cards and visits.

All men are invited to our Men's breakfast this coming Saturday morning at 8:00. Hope to see you there. We have a great time of fellowship and spiritual enrichment.

Remember our upcoming meeting with brother Kendall Fox October 15<sup>th</sup> - 18<sup>th</sup>. Brother Fox preaches for the church in Pacific, Missouri. He is a very enthusiastic preacher and will deliver God's message to us all in a challenging way.

SPECIAL NOTICE: We have noticed that some are bringing drinks and food into our classes and worship services. We would like to request that no food or drinks be brought into our assemblies where we study God's Word or during our worship periods. This would include adults, young adults and children. This would exclude those who have medical problems and who might need nourishment and babies or very young children. Thank you for honoring this request.

Hope to see you all at all our Bible Studies and Worship periods!

Jerry & Gary
