SEPTEMBER 17, 2017 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brothers and sisters. I hope you all are having a great week. It is good to be a Christian and to be a servant of God! We are all blessed in so many ways.

We continue to rejoice in the improvement of some of our church family, in relationship to their health. We have several who are dealing with continuous health issues who need to be remembered in our prayers. Especially, we need to keep Meagan in our prayers as she will be starting a fast-paced treatment of chemo and radiation. We all know she has a tough and long road ahead, but our prayer is that she has a quick and full recovery with great results.

Another great bit of news we received this week is that brother Allen Fischgrabe has gone to Kansas City to receive a long-awaited kidney transplant. As of this afternoon, he was still waiting for the process to begin, but hopefully by the end of the day he will have gone through surgery and will have a new kidney. Let's all pray for brother Allen that he will have a successful surgery and a full recovery from his surgery. Pray as well that the kidney will function and that the surgery will be effective.

I was excited to hear and to see that our Tuesday Ladies work started back yesterday. This important work did so much good for so many years and I know that many of us were saddened to see it stop. Hopefully the temporary break has breathed some new life into this work and that it will again accomplish great things in the service of God. So, for those ladies who are able to come on Tuesdays, why not take advantage of this time of spiritual growth, encouragement and service to others. I know it will be a great blessing to those who get involved, as well as for those who receive the benefits from their labors.

I want to continue reminding everyone that we are only about a month away from our Fall Gospel Meeting. We look forward to having brother Kendall Fox with us. Let's make preparations now so that this time of spiritual growth will be a great benefit for us and others.

SYMPATHY

Myrna Schmeiser passed from this life on Thursday, September 7, 2017. Graveside services were Saturday afternoon at Greenlawn North. Sympathy is extended to her family and friends.

THANK YOU:

Dear Brothers and sisters -
Hello everyone. I am writing you today to thank you for everything that has been done for my family and me, from the calls, cards, flowers, rides, visits while I was in the hospital and rehab, food, donations and most of all the many prayers. Words cannot express how thankful I am for our support during this unexpected turn in my life. We appreciate all of the rides from now until mom is able to drive again, from the Dr. appointments to therapy appointments. I am very blessed with all of the love and support I have been receiving these last 3 weeks, and I cannot wait to prove all the medical staff how strong I am.

Thanks again!

Maegan Sanders and Family

In case you missed it last week...

TUESDAY LADIES ARE RESUMING:

Tuesdays, 9 A.M. - Noon

You do not need any special sewing skills to contribute. We will be making pillows and crocheted items for hospital patients and some items for our visitors.

For more information, contact Laura Heavin.

ELDER'S CORNER:

Hope everyone is having a good week.

Sunday was a good day; any day serving the Lord is good. We had a nice crowd on Sunday to hear a good sermon from brother Ray. Sunday evening brother Jerry gave a report on the two-month trip to Africa. He and Edith did good work. Also, brother Brendan Carr, one of our BIM students, brought a big group from Lebanon that visited with us.

We need to continue to pray for all of those who are having health problems, especially brother Leroy Hathcock, sister Maegan Sanders and Mary Sanders who is recuperating herself from a fall in her home. She is helping Maegan.

Allen Fischgrabe, a former member at K.E. and BIM graduate who has been preaching in Kansas, has been waiting for years for a proper kidney donor. He has received a donor kidney today and is in surgery now (Wednesday afternoon) for a 6-hour procedure at St. Luke's Hospital in Kansas City. Pray for a successful outcome and continue to pray for all on our sick list.

See you Sunday,

Gary & Jerry

ELDER ON CALL FOR SEPTEMBER: JERRY SULLINS

"Finally, all of you be of one mind, having compassion for one another; love as brothers, be tenderhearted, be courteous; not returning evil for evil or reviling for reviling, but on the contrary blessing, knowing that you were called to this, that you may inherit a blessing."
