# SEPTEMBER 24, 2017 BULLETIN RAY'S REMARKS:

*THE K.E. FAMILY LIFELINE*

Well, we have been blessed with another wonderful week of life. It has warmed up the last few day, but it is going to make fall all the more enjoyable when it gets here. I hope you are making the most of your September. I have stayed very busy with many opportunities to serve God, but also in opportunities to grow as a Christian.

We had a good journey yesterday to Independence, Missouri. It was a blessing to be with our brethren at 39<sup>th</sup> Street Church of Christ for this annual lectureship. It was great to see so many of our brothers and sisters, many of whom we already know. However, we also had the privilege of meeting some new church family as well. I wish we would all take more advantage of such programs and opportunities to grow as a Christian. It sure makes us stronger in the Lord when we give more time and service to Him.

I might remind you all that October will be here soon and it will be a great month of opportunities to grow as a Christian as well. I know you are all aware of our gospel meeting around the middle of the month, but there are many more opportunities throughout our area as well. We have posted some of those flyers on our bulletin board which we could recommend. Let me encourage you all to take advantage of at least one of these times or nights of spiritual growth in our area. I know you will be greatly benefited.

I had the privilege of talking with brother Williams Anarfi today from Ghana. He gave me an update on the school and said that everything is going well. Presently we have been trying to find him accommodations near the school for him and his wife Josephine to live. We think we have found a very nice house now and are in the process of trying to secure it. Please keep the good work in Ghana, as well as Zambia and Uganda in your daily prayers. There are so many wonderful things going on around the world for the sake of Christ, which we have a part in. How truly blessed we all are!

Well, I hope you have a great afternoon. I look forward to seeing you tonight for our mid-week services. What a privilege it will be as always to gather and worship God. May God bless us all as we put Him first and do His Will in all things.

# ELDER'S CORNER:

Recently we have had an increase in our attendance at all services. One unusual increase was that we had more at our Sunday Evening worship than we did at our Sunday Morning worship period. Many visitors have been visiting us lately. Let's recognize our visitors when they come and encourage them to make K.E. their home. Also, we have been consistently making our weekly budget. A special word of appreciation for your support of program of work. Working together we can make a real difference in our community and in our world.

Many of our number are dealing with serious health problems. Continue to remember Meagan Sanders in your prayers. She will soon be beginning her treatments. Donna Rothermel is about to undergo further treatments. She also needs our prayers in a special way. We are thankful for the success of those who are in recovery from recent illnesses and surgeries. God has really blessed us.

Our fall meeting will soon begin with brother Kendall Fox from Pacific, Missouri. The dates are October 15-18. Begin now inviting relatives, friends and neighbors to this series of lessons. Flyers are available for your use. Kendall is an upbeat preacher who will encourage us and strengthen us all by a proclamation of His Word.

This Sunday I (Jerry) will be beginning a gospel meeting at Hottel Springs church of Christ in Seneca, Missouri. Our instructors are the speakers for the meeting. Ray will be speaking on Wednesday night. This will give us a great opportunity to advertise the school in an area of Missouri that knows little or nothing about BIM. Remember us in prayers.

Hope to see you all at all our assemblies. May God bless you all!!!

Jerry & Gary
