OCTOBER 8, 2017 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope everyone is having a great week. It is nice to finally have a little more rain. It is also enjoyable to continue seeing the weather cooling off. I am looking forward to the fall and all the beauty and wonder that comes with it.

Most of us already know, but this week sister Maegan started her chemo and radiation at the same time. I think she is having a little bit of a difficult time adjusting to it so let's all keep her in prayer and let her know we are thinking of her and praying for her. She will have a total of 30 days of chemo and radiation to start with. Also, sister Donna started her radiation on Tuesday. Let's pray that all will go well for her also.

Well, we are only a few weeks away from our Fall Gospel Meeting. Remember that we will be having brother Kendall Fox with us from Pacific, Missouri. Our theme is "People of Action." No doubt this will be a challenging and encouraging series for us all. Some of you have already been picking up fliers and inviting friends, family and neighbors. Thank you so much for all of your good efforts and work to make this meeting a success. Let's all make sure and be present ourselves to enjoy this time of spiritual growth in the things of God.

We are already halfway through our first quarter at the BIM. The students are busy at their studies. For our second-year students, this is probably one of the hardest of all quarters while at the school. Keep all our students in your daily prayers, as well as the instructors. Also, please pray for our good works in Africa and the many students and instructors there, as well. May God continue to bless these good works for His sake as they further His Mandate to take the Gospel of Jesus Christ to a lost and dying world.

I look forward to our gathering tonight for our mid-week service. What a privilege it will be once again to gather as God's people and to grow in His Word. Also, remember our great privilege to assemble this coming Lord's day. I look forward to seeing you all there! God Bless!

ELDER'S CORNER:

In less than two weeks, our Fall Meeting will be upon us. This year we are blessed to have Kendall Fox from Pacific, Missouri hold our meeting. We believe you will be strengthened by coming and hearing this faithful man of God proclaim His Word. Have you made plans to attend and asked others to come? We do hope that you will take advantage of this time to know and understand God's will for you and us all. The dates are October 15-18. Please take one of the flyers and pass it on to a relative, friend or neighbor so that they might be encouraged to come. What would be more important than your attendance of this series of meetings?

Donna Rothermel and Meagan Sanders began their treatments this week. Please remember them in your personal prayers. They need our love and prayers more than ever before. May God bless them in their recovery.

Thank you for your response to bringing food items for our pantry last Sunday. Check on the items that are requested this week and help us not to forget to help with this needed cause.

Many have already finished their reading through the Bible this year. It's not too late for the rest of us to finish reading the entire Bible another year.

Many thanks for the sermon brother Andy Heavin gave last Sunday night. He always does a good job and we are blessed to have him as a part of the K. E. family.

May God bless you all until we see you again. We hope and trust that we will see you at all our periods of worship and study.

Jerry & Gary
