THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

Hello Brothers and Sisters! What a great week we have had with our Fall Gospel Meeting. Brother Kendall Fox has done a great job of encouraging us and challenging us all to be better workers for God. I think we have all been strengthened through this time spend together. It is always such a blessing to learn God's Word and to grow in His perfect precepts.

We also had great attendance at this year's meeting. A big thanks to all our members who made this meeting a success. We also appreciate the good job brother David did in leading our songs each night. Furthermore, a big thanks to all our visitors. We had lots of visitors from many area congregations during our meeting. In fact, this was one of our best attended Gospel meetings ever. On Monday night we had 157. It is very encouraging to see that so many supported our meeting. I would encourage all of us to do a better job supporting other meetings of sound congregations in our area. What better way to give time to God and to grow in His word, as well as in the fellowship and love of the brethren.

It is hard to believe but we are in the last week of this quarter's classes at the BIM. Next week is exam week and then the brothers have a few days off before we start the next quarter. Please keep our students in your daily prayers as they continue to grow in God's Word. Also remember our faculty and others who are involved in continuing to see that this good work is being done. I might also remind you that we are in the final few weeks of classes in our African Schools as well. Since their schedule is different from ours, they will be going on their long break in November and will be returning in January. Please keep all these men and these good works in your prayers as well.

In connection to the African works, brother Brent and I are planning a trip for January of next year so that we can be there when classes start back up in Ghana. Please pray for our preparation and the success of this upcoming trip. It is always a great blessing to do the work of the Lord.

Finally, remember we have a 5th Sunday coming up this month. We often have special needs arise which are outside of our regular budget. This 5th Sunday, all money collected over the regular budget will go to help sister Meagan with her medical and personal needs as she deals with her cancer treatments. As most of you know by now she is unable to work at this point and will not be able to for the foreseeable future. Let's all give extra to help with the needs of this good sister and let's keep her in our daily prayers as she continues treatment.

I look forward to seeing you all tonight for the final gathering of our Gospel meeting. Remember the upcoming Lord's day and be present and ready to give God your best. Cindy and I will be away at a Gospel meeting in Omaha, Arkansas. Please keep us in your prayers, we will miss you and we love you all! God Bless!

Thus says the LORD:

“Let not the wise *man* glory in his wisdom,
 Let not the mighty *man* glory in his might,
 Nor let the rich *man* glory in his riches;
 But let him who glories glory in this,
 That he understands and knows Me,
 That I *am* the LORD, exercising lovingkindness,
 judgment, and righteousness in the earth.
 For in these I delight,” says the LORD.

ELDERS' CORNER:

Our fall meeting comes to a close tonight. Brother Kendall Fox has brought us some very challenging lessons that have motivated us all to be more active in our commitment to God. Our attendance during the meeting was the best we have had in years. Many area congregations came to support the preaching of the gospel. We want to thank all of you who made a special effort to be here at every meeting. Special thanks to brother David Robinson for directing the singing during the entire meeting.

Our sister-in-Christ, Charlotte Korzenborn, passed away this past week. Our sympathy is extended to the entire family. Charlotte had been a member of the K.E. congregation for many years.

We had a great attendance at last Sunday's Potluck. Every table was taken. This is a time when we can all encourage one another to continue strong in the Lord.

Special thanks to Bill Heavin and Wesley Ewing for their involvement with the men's breakfast. We had a good number present at our last breakfast. We hope more men will take advantage of this time of fellowship together.

Continue to remember those of our number who are undergoing treatments and dealing with health problems. Meagan and Donna are making good progress. We are thankful for the way God is blessing those of our number with better health.

Our spirit and numbers are growing. We are thankful for your faithfulness. It encourages us all so much. See you all at our worship and study periods.
