## NOVEMBER 5, 2017 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brothers and sisters! I hope you all are having a good week so far. It was great to be back with the family last Sunday and to be encouraged by you all. We also had a great 5<sup>th</sup> Sunday, with a great fellowship meal and a great 5<sup>th</sup> Sunday contribution. Thank you all for doing a little extra to help our dear sister Meagan with some of her needs.

Since we had an early service on Sunday, I was able to go down to Omaha and surprise Trey and Ruth. I think it made him a little nervous that I was there, but he did a great job preaching anyway. I am so proud of the good work they are doing at Omaha. The congregation there seems to love God and His Word and certainly are trying to live according to the teachings of Christ. I also know of many of your who were able to spend time with other brethren and families on Sunday afternoon and evening. It is always encouraging to see brethren who desire to “dwell together in Unity!” It is truly a blessing to be in the Body of Christ and to have one another’s fellowship and companionship. Thanks be to our God for such blessings!

Last weekend was great. We had a good time at the Koontz house on Friday night. The youth seemed to have a lot of fun at the function and several stayed over for the all-night sleep over. I made it until about 1:30 and then went down for the count. It is so much fun to be with our beloved brethren and to spend such time of fellowship.

On Saturday night, the college age and younger adults came over to our house for a get together. They all dressed up in costumes and carved pumpkins. Everyone seemed to have a great time. We have a great group of young adults at our congregation. We are truly blessed!

Brethren, let me encourage us all to be active and involved in all aspects of the Lord’s Work. As Christians we continually have the privilege of worshiping God, fellowshiping with one another, growing in God’s Word, and in sharing our faith and God’s message with a lost and dying world. It is a beautiful thing to be a Christian and to be in the family of God!

Well I look forward to seeing you tonight for our mid-week service. What a blessing it will be to gather and study God’s Word. I hope to see you all there, as well as this coming Lord’s day as we again have the privilege to assemble and to Worship God! May God bless us all in our commitment and service to Him!

## ELDERS' CORNER:

A special word of thanks to the congregation for helping fill the pantry during the month of October. We had a great response and are prepared now to help people in need of food and clothing. We should have enough now to make it through the close of this year. Again, thank you for your positive response.

Last Sunday, through your loving gifts, we were able to raise \$2300 dollars to help with the on-going expenses that our sister Maegan Sanders is having due to her health. Continue to remember Maegan in a special way with cards and in your prayers. Continue to remember Donna Rothermel in your daily prayers.

K.C. Hamrick is presently at the Center for Cognitive Disorders in Osage Beach. He is making good progress in his treatment and hopes to be back with us soon. He says that he loves us all and please remember him in your prayers. His address and phone number and times he can be reached by phone are:

Our love to all. See you soon, the Lord willing.
