BULLETIN

THE K.E. FAMILY LIFELINE

RAY'S REMARKS:

It's hard to believe that we are already in the month of November. Thanksgiving is only a few weeks away and I am reminded every day, how quickly this life flies by. I hope we are making the most of every moment in life. God has blessed us so much and I hope we are enjoying His wondrous gifts and taking advantage of all that He has so richly blessed us with. However, I also hope we are using our blessings as a motivation to do more for Him and to be more involved in the Kingdom of God. Surely the abundant love we are shown by God should encourage us to want to love Him more and obey His commandments.

I am so happy for sister Maegan as she is completing her treatments this week. She will then have to wait 3 months for another round of tests to see how well they worked. We need to continue to pray for her and let her know how much we love her as she faces this difficult time in her life. I also wanted to commend you all for giving so well on the 5th Sunday. Maegan was able to receive \$2300 to help her with her needs. Thank you all for being such a loving church family. Let's also keep Mary and the family in our prayers as they are there for Maegan and as they show her love and support. Many of us know how difficult it is for loved ones when those who are dear to us are struggling with such. However, with God's help we can always make it through and will be victorious in all things.

This Saturday is our Men's Breakfast. If you haven't been in a while, why not join us for this time of food, fellowship study and fun. It is always great to be with our brothers and to share the love of Christ. I hope to see you there.

I received a message today that our brothers in Zambia are headed home to Ghana. In fact, many of our students in Africa are traveling this week to get home for the long winter break (our winter, their summer). Our brother Samson who is helping us in Ghana will also be traveling home to Kenya. Please keep these brothers in your prayers. I know they are ready to get home and see their families and to be refreshed by having some time off. I also know it will be a day of rejoicing for their families who have missed them while they were in school. It is great to be a part of so many good works in Africa. God continue to richly bless us and those good works we are involved in for His sake! In all things to God be the glory.

Well, I hope to see you tonight for our mid-week service. Why would you choose to be anywhere else? Also, be present and ready to give God your best this coming Lord's day. Until then, may God bless us all as we strive to be faithful to His cause!

ELDERS' CORNER:

Greetings to the congregation at Kansas Expressway church of Christ:

The Men's Breakfast & fellowship will be Saturday, November 12th. Please men, make a special effort to come and fellowship with us.

A big thank you goes to Bill and Wesley for planning and preparing the meal on Sunday after the morning service. Agape groups 1 and 4 will meet for lunch. Bring what your leader has asked. Please attend this meeting.

We need to continue to pray for those that have medical problems asking God to help them.

Continue to pray for the BIM students and instructors that these men will learn to become teachers and preachers. Also, the three schools in Africa that these men will preach the Gospel to the ones in Africa.

Our Bible study is at 9:30 and worship at 10:30 and 5 PM. Please try to attend all these services. Brother Ray will be the speaker.

Our bible school teachers are doing a good job in teaching all of us.

See you Sunday,

Gary & Jerry

Dear Sisters,

On behalf of and for the benefit of men who are seeking to live in accordance with the will of God and to keep themselves pure and holy to the end that you do not encourage them to lust and for your own eternal welfare, please do not call undue attention to yourself or expose yourself by wearing immodest apparel. Godly men do not want to see your thighs (or more) in clothing that is too short, your cleavage in tops that are too low, your navel in tops that are too short, your undergarments in clothing that is too thin, nor the curves and characteristics of your bodies in clothing that is too tight. Please look in the mirror at yourself (front and back) and ask yourself if your attire is becoming one professing godliness. You may need to make some changes.
