## DECEMBER 17, 2017 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Happy Holidays brothers and sisters! I hope you are enjoying your holiday season so far. We have been having a great holiday so far. Many of you have already visited with us in our home and we have had the privilege to be with some of you in your homes as well. We also were able to share a holiday party with the brethren at Omaha last Saturday.

I am really enjoying the holiday so far, this year. I always love spending special times with beloved brethren, family and friends. We are so blessed as Americans. I hope we all slow down enough from time to time to realize this fact. I am ever reminded of this truth as I think of our many good brethren through Africa and the third world. Thankful, we all share equally in the greatest riches in Christ and wondrous gift from God, no matter who we are or where we live. However, let's always be thankful for just how blessed we are as God's people here in the U.S.A.

I was excited to hear that sister Jennifer's surgery went well. Hopefully by the time you get this bulletin she will already be home and continuing to recover. We have also been blessed with answered prayers with many of our other family members as K.E. So many continue to make improvements and get their health back. Again, we are such a blessed people.

Please remember to keep sister Alice in your prayers. She responded Sunday and needs prayers as she deals with many issues in her family and amongst her family members. May God help her and give her peace during this time.

Let me remind you that Cindy and I have a party scheduled this Friday at our home. We also have another party for the youth-group on Sunday after morning services. We look forward to sharing these times of fellowship with our beloved. Thank you all for being a part.

I look forward to seeing you tonight for our mid-week service. Also remember, that the Lord's day will be here very soon so let's be present, prepared and ready for worship and to give God our very best. God bless!

Ray Sullins

## ELDERS' CORNER:

For the past few months our attendance has shown steady improvement as well as we have been reaching our budget. It seems that by our reaching out to those who are in need with the Gospel as well as in many other ways, we are experiencing growth in the Kingdom here at K.E. Special thanks to all of you who show real concern for the lost in so many ways. Let's continue to reach out and see how God will give the increase.

Those who attended the annual Holiday Party at Ray and Cindy's home last Friday enjoyed the company of fellow Christians as well as the food and games we played. At events like this we get to know one another better in a personal way. There is another party this coming Friday night. Try to attend.

Special appreciation to those who contributed to, arranged and delivered the Holiday Baskets this past Saturday. It brought a lot of joy to those who helped with this good work.

Very soon, we will be introducing to you those whom we are considering for leadership roles in the congregation. There are many areas of our work that need special people for a special purpose. Pray for us as we endeavor to make the right choices.

Continue to remember those of our number who need our prayers. In a special way remember sister Koontz, sister Freda Fielder, Meagan Sanders and Anita Long in your daily prayers. Also pray for Alice Drake.

May God bless you all with good health and happiness. Hope to see you at all our services.

Jerry & Gary
