BULLETIN
RAY'S REMARKS:**

Hello brethren. I hope you all are doing well. We really miss everyone and our families, but Brent and I are doing well and are having a very profitable trip. We actually leave Ghana tomorrow to return to the U.S., but we won't be back to Missouri until Friday night. Please keep up in your prayers as we are traveling that we will have a safe journey. Lord Willing, I look forward to being back with you all this coming Sunday.

We have had busy time while in Ghana. We have been teaching classes, preaching, and working with the school in a variety of ways. We have also taught every Saturday all day to the Saturday School Students. As I said, we have had a great trip, but we are ready to come home and recover a bit and get a little rest. Of course, when we get back we have lots going on in Springfield with the church and the BIM, but at least we will be back with you all and be able to get back into the routine of everyday life. We are also ready for some snow. I can't believe that the week I am away we get a good snow, and that temperatures are supposed to be back to the 50's or more by Saturday but that's the way it goes. I have enjoyed the pictures and the messages about all the weather and how things are going.

Tonight, we are back at the school right now and are about to have an African Meal and then we are going to have a going away devotional period for Brent and me. It is always such a blessing and encouragement to be with our brethren here. God has certainly blessed us with a great Christian family here in Ghana and they treat us very well and with such kindness while we are here. We love them all and appreciate them so much. Please pray for our good brethren here and the great work that is going on at the Missouri Institute of Biblical Studies Ghana. I know that God will continue to do great things here in Ghana for His Kingdom, and we are all blessed to share in it and to be a part of it.

Finally, let me say that I hope you all have a great remainder of the day and a good evening of worship and the study of God's Word. I wish I could be with you tonight, but Lord willing I will be soon. I love you all and ask again that you remember us in your prayers as we travel over the next several days. See you soon! God bless!

ELDERS' CORNER:

Hope everyone is having a good week. It sure is cold! Despite the cold and snowy weather, we had a very good attendance Sunday, both AM and PM. Thanks to all.

In brother Ray's absence, we had some very good Bible lessons and sermons, thanks to brother Mark, Jerry and Andy. We are very fortunate to have people like them.

Brother Ray and brother Brent will be returning home on Friday. Pray that they will have a safe trip.

A Chili Cook Off is scheduled after our evening services next Sunday, January 28th. Bring your favorite chili or a side or drink.

Please keep those who are having health problems in your prayers. Seems like our list grows longer each week.

Pray for all the students and instructors in your prayers.

Hope to see all at our next service.
