BULLETIN
RAY'S REMARKS:**

Hello brothers and sisters! I hope you are having a great week. It is nice to see the weather warm up some after such a cold and icy weekend. We had a great Lord's day last Sunday despite the crazy weather. We had a good number present Sunday morning and Sunday night and I'm thankful to all who were able to get out and come to services. However, I'm also thankful for those who were able to join us over the internet and I certainly understand that the weather was a big problem on Sunday. I'm thankful that no one was hurt or injured over the weekend.

We also had a good number stay for the Agape meal on Sunday. On such a cold day it was nice to eat together and to share in an encouraging time of fellowship. It is always a blessing as God's people to spend time together in Worship, fellowship and in the daily work of the Lord.

I enjoyed presenting the program of our trip to Ghana last Sunday evening. As many of your saw, we had a great trip and God really blessed us with a productive and encouraging time. It is a blessing to have such opportunities as Children of God. While in Ghana, we were able to do a lot of work with the church and also the preacher's training school. Another great blessing was to be able to help several Christians in Ghana with benevolent needs, thanks to a special contribution given for such by one of our members. Here are the individuals we were able to assist with these funds and the reasons we assisted them.

1. Joshua Oppong – He is an amputee trying to get a prosthetic arm.
2. Yaw Kyere – He had a car fall on him and is now paralyzed.
3. Agathar Afrane – She is dealing with Breast Cancer.
4. Faustine Pokuah – She has recently lost her husband.
5. Hannah Konadu – Has been dealing with a serious illness for a year now.
6. Faustine Appiah – She is believed to be an abandoned mother and has many children.

Please keep all of these individuals and their needs before God's throne. Obviously, we have many brethren in Africa who deal with great struggles in this life as well. May God bless them each according to His Will!

Well, hopefully the weather will cooperate this week, after several tough weekends. I look forward to seeing you all in services this coming Lord's day. However, remember that we have the opportunity to worship God tonight as well. See you then! God bless!

THANK YOU:

To my brothers & sisters at K.E.
 Thank you so very much for your concern and love for me - Your prayers are wonderful for my recovery from my fall. My knee cap is BAD, and will take a long time recovering, but with God's help, it will heal. Morton takes good care of me, but his health needs healing, also.
 I miss you in services and worship time together.
 I love you all, and I pray for you, also.

In Christian love, Darlene & Morton Osborn

Love Is:

"Love is patient, love is kind.
 It is not jealous, [love] is not pompous, it is not inflated, it is not rude, it does not seek its own interests, it is not quick-tempered, it does not brood over injury, it does not rejoice over wrongdoing but rejoices with the truth.
 It bears all things, believes all things, hopes all things, endures all things."
 1 Corinthians 13:4-7

ELDERS' CORNER:

Hope everyone is having a good week after a slick start. We apologize for not having the lot treated on Sunday morning. The ice came at a time we couldn't get anything done. On Sunday night the lot was treated and much better.

We had around seventy present on Sunday with some coming from congregations closed. They were very thankful to be able to assemble to worship God.

The weather will not prevent K.E from having services. However, please use caution coming in bad weather.

Please pray for brother Chuck as he will be leaving today for a marriage seminar in Mexico. Pray for his safety. Also, keep Jody in your prayers while he is away.

Please keep all of our sick members and shut-ins, especially keep sister Maegan in our prayers as she is having chemo treatments and that they will be successful in her recovery.

Plan on being at all services on Sunday.
