

**FEBRUARY 25, 2018
BULLETIN
RAY'S REMARKS:**

Hello brethren. I hope you are having a great week. We certainly had a good Lord's day this past Sunday as most everyone was back for services after all the crazy weather. Hopefully we won't have any more bad weather on the weekends for the rest of this season, however as we all know, it is out of our control.

This week is research week at the BIM. No doubt it is a blessing for the students to be able to have some extra time to catch up on their many assignments. However, it is also a blessing to the instructors to be able to have a little extra time for a week and to get some more things done. Please keep our brethren in your prayers as they continue in their studies and make preparations in the near future to begin their respective works. It is exciting to see their continued growth as servants in God's Kingdom.

We are happy that brother Chuck made it back safely from Mexico. We hope to hear more about his trip in the near future. I know it was a great success for the Lord.

Brethren, remember that there is an Agape meal this coming Lord's day and that the youth will visit our shut-ins. I am always encouraged by our young people at Kansas Expressway. We are really blessed with a group who love God and who want to do His Will. I hope we all strive to commend our youth and to encourage them to keep up the good work in God's Kingdom. They are no doubt a great asset in the Lord's church today, but will continue to be throughout the future. Thanks be to God for our Teenagers!

Well, I hope to see you all tonight for our midweek service. Also, Sunday will be another day of great blessing and service to God. I hope you are able to be present for every opportunity to Worship God. May God bless us all as we continue to do His will. See you soon!

ELDERS' CORNER:

The weather has been challenging for the past few weeks and many of our members have been unable to attend some of our worship periods because of it. Others have missed because of the flu season and are beginning to return to some kind of normalcy once again. Spring is approaching and will be welcomed by all. We are thankful that very few of our number have suffered very much at all except for falls from the icy conditions.

We are thankful for the safe journey and return of Chuck in his mission to Mexico. Also, it was good to hear of the successful trip of Ray and Brent in their report of their recent trip to Ghana. Every effort made in these trips will provide an increase in the Kingdom in a foreign land. This is our part in the fulfillment of the Great Commission.

Very soon we will be placing before the congregation two of our brethren to serve as deacons. These men are needed to help with specific works of the congregation. More detail will be given at a later time. We appreciate the good work done by our deacons who all have a responsibility to fulfill in the work here at K.E.

Always remember those on our prayer list who are struggling with health problems and those who are confined at home and unable to be with us at our times of worship.

This Sunday is supposed to be a mild one. Hope to see you all here!

Jerry & Gary

Elder on Call for February: Gary Dalton

For I bear them witness that they have a zeal for God, but not according to knowledge.

For they being ignorant of God's righteousness, and seeking to establish their own righteousness, have not submitted to the righteousness of God.

For Christ is the end of the law for righteousness to everyone who believes.
