BULLETIN
RAY'S REMARKS:**

Hello brethren! I hope you all are well and that you are having a blessed week thus far. Time continues to fly as we are in the final day of February and will start the month of March tomorrow. The speed with which the days fly by remind of us of our need to make the most of every day of life. With God's help, we will always be able to live meaningful and prosperous lives. Oh, how blessed we are as Children of God.

After several requests and suggestions, we have started a Kansas Expressway Church of Christ page on Facebook. Many congregations use this form of social media to encourage others and to teach the message of Jesus Christ. So, I thought it would be good to provide this avenue to be used for edification, teaching and unto God's glory. I hope you will "like" the page and use it for things which benefit others for the sake of Christ.

One of the first posts on our new page is about the Television Song Taping for the Living Word program. A brother at the Television station sent me a promo for the taping to use and we have already had over 300 views of it within the last 30 or so hours. I hope you will all make plans to be present on March 25, from 2 to 4, to help with this song taping. It will be nice to have some updated songs and some fresh video to use as a part of our weekly program. Please let others know who as well might like to be involved.

I also thought it would be good to use our new page to post a daily short track for a while. Hopefully, this will be an encouragement to us all and that it will challenge us to think more on spiritual things on a daily basis. Most of the tracts I post should take less than 5 minutes to read. If you have any suggestions to make our page even better, let me know.

I look forward to seeing all of you tonight at our Mid-Week gathering. Remember, the Lord's Day is God's time! Wont you be prepared, present and ready to give Him your very best? God bless and see you soon!

THANK YOU:

Dear K.E. Family,
 Thank you ever so much for the kind and thoughtful deeds that were done for me while I was ill. I appreciate the food that people brought, the many cards and the prayers. They were all such an encouragement to me. Love, Erma Folsom

A thank you card from Zach & Sarah Hall to all the congregation is posted on the bulletin board.

Thank you to all our teachers who tirelessly prepare lessons every week, those who keep the bulletin boards looking great and to Angie for resupplying and sharpening all the auditorium pencils and visitor cards. Your labor is much appreciated. Thank you! ~Your family at K.E.

~ NORTHROP REPORT:

Please read Chuck's encouraging report from his trip to Mexico where he and brothers Wayne Brewer & David Gullledge had a 4-day marriage seminar. It is posted on the bulletin board.

ELDERS' CORNER:

We would like to take this opportunity to give a special word of thanks to the men who serve as Deacons here at Kansas Expressway. Presently, we have seven Deacons who are performing their responsibilities faithfully.

As the congregation grows and matures there are always areas of work that need someone who can not only do the work, but lead others to help perform specific needs of the church. Two areas of need have developed in the work here at K. E. One is in the area of security and the other is related to our foreign missions' program.

Because of these two needs we would like to place before the congregation two men whom we feel after meeting with these men and have proved them, have determined that they meet the qualifications of a deacon given in I Timothy 3:8-13. The men we are placing before you today are: James Cartwright and Matt Koontz. If anyone knows of any scriptural reason why either of these men should not serve as Deacons in this congregation, please submit the reason(s) why in a letter to the Elders and please sign the letter. If there are no reasons why these men cannot serve they will put before the congregation to serve as Deacons on March 11, 2018.

We thank these men for desiring to do the work that will be set before them and we thank this congregation for your support and your faithfulness and all you do for the advancement of the cause of Christ in this community and throughout the world.
