

**APRIL 1, 2018
BULLETIN
RAY'S REMARKS:**

What a wonderful Lord's day we had this past Sunday. It was our privilege as always to worship God as His people, however, we also had other opportunities to fellowship and serve throughout the day.

We first had a great number stay for our fellowship meal. It is always a blessing and privilege to spend time with our brothers and sisters and to have fellowship with one another. That time and fellowship is even sweeter when we have visitors and others to share that time and our faith with. Thanks to all who stayed and enjoyed this wondrous blessing from God.

Also, our Television Taping of song went really well. We had several hundred present for our taping, but probably around 180 were actually involved in taping of songs for the Living Word program. These songs are going to be a real blessing for the Living Word program because it has been around 6 years since we have taped and therefore we have been using our old tapes for many years now. Also, it helps to update the songs because we lose loved ones, people grow up, some get married, etc. I hope to be able to start using our newly taped songs around the middle of April. I will make sure everyone knows when the CDs/DVDs are ready. I know many of you are wanting copies. We were also blessed to have lots of visitors and brethren who came from surrounding congregations and helped with the taping.

I want to thank all those who helped during the taping behind the scenes. We had ladies helping to watch children, so Dads and Moms could participate in the singing. We also had those who prepared water for everyone during the break. We have those who made an extra effort for the Agape meal and we also thank brother David for leading for the whole two hours. I know it was tiring, but he did a great job and we appreciate it. Again, just let me say **THANK YOU TO YOU ALL**. Without our common love for God and our willingness to serve we could not accomplish such things in His Blessed Kingdom.

Well, I look forward to seeing you all tonight for our mid-week service. Also, remember that this coming Lord's day will be the start of a new month and we will have the privilege of gathering as God's people to Worship our Loving Creator! See you all soon and God bless!

 And lean not on your own understanding;
 In all your ways acknowledge Him,
 And He shall direct your paths.

ELDERS' CORNER:

Greetings to all.

The elders want to thank everyone for being at the TV taping on Sunday. We had around 200 present. Also, we had about 10 different congregations represented. The singing was great. Be looking for the new program to be aired soon. Thanks to David for leading the songs.

Continue to pray for all the ones in the congregation that are having health problems, especially sister Maegan.

Please include sister Alice Drake in your prayers and let us all encourage her as she deals with everyday problems.

Keep all the Bible Schools in Africa and Springfield in your prayers. The students will be graduating soon and begin works in the area. Also, our instructors need encouragement. Thanks to all. See you on Sunday.
