THE K.E. FAMILY LIFELINE

APRIL 8, 2018 BULLETIN RAY'S REMARKS:

Hello brethren! I hope you all are having a great week and I pray that your April is off to a great start. Can you believe this crazy weather? It sounds like they are calling for possible snow again on Friday. Oh well, we might as well make the most of it and just enjoy it because it is going to be hot before we know it.

Today I taped the next two programs for the Living Word and we were able to use our first songs from the taping. That means that on April 15th the new songs we taped on March 25th will be used for the program. Hopefully we should get our master copies of the Audio and Video within another week or so and then we will get you all the copies you requested. I'm excited about seeing the new songs used a week from this coming Sunday. Thanks again to all who helped.

Most of you have probably noticed, but we started a new Facebook page for K.E. We are having a great response to the posted articles and the picture verses which we have been posting. I wanted to thank sister Sarah for her help with some of our posts. I hope this tool will continue to produce great results for the furtherance of the Gospel. If you haven't seen our page yet, go on Facebook and look us up and please "like" our page. You can look up our page by name or by typing in the Facebook search @ kechurchofchrist. Let's also all like and share as many posts as we can so our page will grow and more will be reached. Thanks for your help!

I also want to take a moment and give a big thanks to brother and sister McCarty. Larry and Pat have been helping regularly with newsletter preparation for our mailouts for many of our works. We really appreciate all they are doing. To God be the glory! We love you both!

I look forward to seeing you all tonight. What a privilege it will be to gather as God's people and to study His Perfect Word. Also, remember that this Sunday we will have another great opportunity to Worship our Creator. See you soon and God bless all!

ELDERS' CORNER:

Very soon we will be having our BIM Lectureship for 2018. It is a special time where we have our faculty, students and guests to be the speakers. Special themes throughout the years have been presented to enrich us all in a knowledge of what God's will is for us in this life. Our special theme this year is: STATEMENTS THAT EDIFY FROM THE SCRIPTURES. It is our hope that the lessons presented will encourage us all to know that there is a source available to every Christian in every circumstance of life to lift us up. That source is found in our relationship to God. Again, the dates of the Lectureship are: May 13-16. Let's all plan to be at every session.

Remember men, that our Men's Breakfast will be on the 14th of April. Last month we had the largest group that we have ever had. Be sure and sign the list if you plan to attend. Hope to see you there!

The Tuesday Ladies group is doing a wonderful work. We want to thank them for their love and concern for the lost in reaching out to them in this special way. Why not join them in the work?

Our sympathy is extended to the Coy Duncan family and the Heavin family over the loss of their loved one this past week. Let's remember them all in our prayers.

The new singing group is scheduled to be a part of the Living Word broadcast beginning on the 15th of April.

May God bless you all as you strive to live the Christian life.

Jerry & Gary

Elder on Call for April: Gary Dalton

FROM THE ELDERS:

We regret to inform you that Jordan Allen has withdrawn from BIM for personal reasons. His plan, in the near future, is to complete his studies online with the International College of the Bible in Tennessee. Our prayers are with him and the family as he continues in the work of the Lord.
