APRIL 15, 2018 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

I hope you are all having a great week! The weather sure has been nice the last few days and it almost makes you think that spring has actually arrived. You know we will probably have a few more cold-snaps, but at least we seem to be headed into some actual spring weather.

It's hard to believe it but we are in our final quarter of the year at the BIM. Graduation is going to be here before you know it and the brothers who are graduating are getting excited about being done and getting busy in their respective works. Brother Zach and Evan both have full time jobs with congregations already. Zach will be working with the Vienna congregation in Missouri and Evan is working with the Jasper congregation in Arkansas. Let's keep them both in our prayers as they complete their school and begin these new works in the Kingdom of God.

Presently, we have 5 men who are considering starting school in August. Let's pray that things will work out for all of them and that we might even have some more interest before that time. The BIM continues to do an important work in the Kingdom of God. We are so blessed to have a part in it as God's people.

In connection with the schools, most of you know that Brent has been teaching full time with the school for several years now while working with the Highway 13 congregation in Bolivar. We are excited to announce that Brent has decided to come on full time with the work in every respect, to help with promoting the school and with student enrollment. He will also be helping us with a new reorganization of all of our schools here and in Africa. The new name we will use for our work is the Global Schools of Biblical Studies and all four of our schools will retain their current names under this overall name for the entire work. This will help us greatly in advertising the school, getting the word out about the scope of our work and with raising the needed funds to keep all our schools running. We look forward to giving you more information in the near future about this exciting change. We certainly look forward to having Brent and the family back with us in the near future. Please keep all these things in prayer that they might accomplish great things for God and in all things give Him the glory.

I look forward to seeing you all tonight at our mid-week gathering. It will be a blessing to gather as God's people and to worship God. Also, I look forward to our worship this coming Lord's day. Remember our new songs we taped for the Living Word will begin to be used this coming Lord's day. May God continually bless us all in His faithful service. See you soon!

 A special thanks to everyone who prepared food.
 Also, to those who took the time to serve it - Robbie H, Rose Mary & Julie F.

Love, Gary & Brinda
 Coy Duncan Family

Dear Church Family,
 We can't thank you enough for the wonderful wedding shower and outpouring of love and support that has been shown to us. The decorations, food and cake were absolutely perfect! We also appreciate all the gifts, cards and more importantly - prayers sent on our behalf as we begin our life together. It is such a blessing to have you as family.

We know that many of you have asked about the wedding day. We deeply regret that we can't share our ceremony with our entire church family. Our venue has limited capacity and unfortunately, that means we cannot invite you all. Please keep us in your prayers, join us in spirit and know that we love and appreciate everyone very much.

In Christian Love,
 Robbie and Hannah

You shall love the LORD your God with all your heart, with all your soul, and with all your strength. Deuteronomy 6:5

ELDERS' CORNER:

Greetings from the elders at K.E.
 This spring weather sure is crazy; one day it's in the 60s, next day the 30s... Maybe soon the Lord will bless us with nice warm days.
 Sunday, we had many visitors to hear a great sermon from brother Ray. Sunday evening, our young men did a great job in leading singing and prayer and scripture reading. We have the greatest group of young men and girls. Please compliment them for what they are doing.
 Continue to pray for our sick members, especially sister Maegan as she is taking chemo treatments. Pray for brother Maurice in his decision to be baptized again just to make sure everything is right in his obedience and in his life.

Pray for Robbie and Hannah as they will be married soon. The shower Sunday evening was great as many stayed. Also, thanks to the ones who prepared for this shower. This Sunday morning at 7:30 AM on channel 10 will be the first of the TV taping that we recorded at the end of March. Tune in to see how well you looked.
