## APRIL 22, 2018 BULLETIN RAY'S REMARKS:

THE K.E. FAMILY LIFELINE

Hello brothers and sisters! I hope you are enjoying the warmer weather that has finally set in for a few days and hopefully for good! It's hard to believe that we have had a little snow almost every weekend now for about a month. God continues to bless our family and we should be thankful for God for all our blessings and answered prayers. God is good.

We are happy that brother Richard came through his surgery well. He is now at home and recovering. Let's pray that he has a speedy and full recovery, because I know the fish are calling! ☺

It's hard to believe but we are less than a month away from our annual Spring Lectureship for the BIM. The theme this year will focus on great and challenging scripture passages that will truly benefit us as believers. However, these lessons will also be good for others as well, so let's invite friends, family, neighbors, coworkers and all we can to be a part of this time of study and growth. Make sure and mark the dates on your calendar, May 13-16 and please pick up some flyers which are now available in the foyer and south table and get the message out about this great opportunity to hear God's Word proclaimed.

Remember that this month is a 5<sup>th</sup> Sunday. We will have a potluck as usual for the whole congregation. Also, remember this 5<sup>th</sup> Sunday that all of our contribution, above our regular budget, will go to help with covering the expenses we have incurred recently on our roof repairs. In the last 3 to 4 months we have spent \$5500. We also still have a little of a remaining cost which needs to be covered for last year's production cost for the program. If we can all give a little more or even double what we usually give it will certainly help a lot on covering these needed expenses. Thanks for your help.

Well, I hope you have a great day and I look forward to seeing you tonight at our midweek service. Also remember to be prepared, present and ready to give God your very best this coming Lord's day. See you soon! God bless!

Ray Sullins

## NO INTEREST???

"I can't get interested in the church," a person remarked.

"No," was the reply, "You can hardly expect to. It is somewhat like getting interest at the bank. You have to put in something first; and the more you put in through prayer, or money or time, the more the interest grows."

Jesus said, "Where your treasure is, there will your heart be also." Matthew 6:21

The more we speak to God,  
 the more we shall be likely to speak of Him.

## ELDERS' CORNER:

We hope everyone is having a good week. Finally, the weather seems to have gotten better.

Sunday, April 29<sup>th</sup> will be a 5<sup>th</sup> Sunday. We will have a Potluck dinner for all the congregation. Bring all your favorites and share with others. After dinner, we will return at 1:30 for our worship in the afternoon instead of our usual evening service.

We would ask for all, if possible, to give extra on this 5<sup>th</sup> Sunday. We need help in paying for our roof repairs and we have a balance on our TV Program. We need to cover these if possible.

May 13-16 will be our BIM Lectureship. Lay aside these dates to attend all sessions.

We need to keep all who are having health problems in our prayers, especially Maegan Sanders as she is having chemotherapy treatments through May. We hope and pray they will be helpful and her longtime health will be restored to her.

We are thankful Richard Medley is home and doing well, after having his shoulder surgery on Tuesday.

We continue to have many visitors. Please greet and welcome these people.

See you Sunday for Bible Study at 9:30 and worship at 10:30.
