 RAY'S REMARKS:

Hello brothers and sisters! I hope you are having a blessed and profitable week in the service of God. I know we are all busy letting our lights shine before others that they may see and know our Savior.

We have been having a great response to our new church Facebook page. The viewers to our page grow every week and we are reaching more and more with the message of Christ. We are already having hundreds every day and even thousands view our page each week. I want to thank all of you who have liked the church Facebook page and those who regularly like and share the post. This is yet one more way that we can get the message of God out and encourage many in the area to know the truth. Let me ask you all to take an extra minute to actually find our page and like it. If you already are receiving our feed, remember that anything you like or share reaches far more people. Please help us use this good tool to its fullest potential. Thanks for your help in this matter. Our Facebook page is called, "Kansas Expressway Church of Christ" or can also be found by searching "@kechurchofchrist" on Facebook.

I want to continue to keep our upcoming Lectureship at the forefront of our minds. Remember that it begins on May 13 and will go through May 16. I hope you will be present at every opportunity you have. This will be another great opportunity to grow as Christians and to encourage others in the study of God's Word. Make sure and invite others as well.

Finally, let me encourage you all to be present tonight for our midweek gathering. Together we will study God's Word and have a devotional period. It will be a great benefit for all who attend so make sure and give this time to God. I also look forward to seeing you this Sunday for our 5th Sunday. Remember the potluck for all, the special contribution and the early service at 1:30. See you soon! God Bless!

ELDERS' CORNER:

Spring may be here, at last! Now we can enjoy a period of warming that we have all been waiting for this year.

During the remainder of this month and the next month many activities will be happening at K.E. Remember that on this coming Sunday we are having a special effort to pay for expenses that have been incurred for our family. During the winter and beginning of spring, we have been dealing with some repairs to our building that are above our budgeted expectations. Our roof has had to be repaired several times and now we have a balance of \$5,500 that needs to be paid as well as T.V. production cost of \$2,000. As you already know, this fifth Sunday we are asking everyone to help with this deficit which amounts to \$7,500. If we all are able to double our contributions it would take care of our deficit. Please help however you can to take care of these obligations.

Remember, that this coming Sunday is a 5th Sunday, there will be a potluck after morning worship and the afternoon worship will be at 1:30.

Our Lectureship this year is during the dates of May 13-16. Be sure and be at every session you can. This year's theme is: STATEMENTS THAT EDIFY FROM THE SCRIPTURES. Be sure and pick up some flyers and give them to a relative, friend or associate. It's a small part that all of us can do to hopefully begin the process of leading someone to Christ.

Richard Medley is recovering from surgery and Meagan Sanders is progressing with her treatments. Don't forget our shut-ins and loved ones who are not able to be with us when we worship. They need our prayers, cards and visits.

Hope to see you all at all our services. We love and appreciate each one of you.
