THE K.E. FAMILY LIFELINE

MAY 20, 2018 BULLETIN RAY'S REMARKS:

What a great blessing this week has been for the family at K.E. Many of us have taken advantage of the opportunity to study God's Word and to grow as Christians. We have no doubt been uplifted by the great lessons presented during this year's BIM Lectureship. How encouraging it has been to spend time with each other and to give this time to God.

I am also very thankful for the graduates we have back with us this year. Brother Chris and Brad did a great job. Also, our present students did a good job. I was excited to hear brother Zach and Brendan. It will be exciting as well, to hear brother Evan speak tonight. I hope all of us are able to be present and a part of this time in Worship to God.

Thanks to all who have helped to make this year's lectureship a success. It is always a great blessing to have such time to serve God and to do His Will!

It is really hard to believe, but we are down to the last few weeks of classes at the BIM. Soon we will have two more graduates and how wonderful it will be to see them getting out and using their skills in the service of God. I know we are all happy to see brother Zach and Evan graduate. I hope we will all be present on June 3rd to honor these men and to send them off to their new works with the encouragement and love of brethren.

Remember we also have brother Brendan still in school and we have at least three men who are already committed to starting school in August and a few others who are still being considered. Please keep all these men in your prayers, that we might continue accomplishing God's Will together here in the U.S. and throughout the world.

Well, I hope to see you tonight for the last night of the lectureship. There is nowhere more important we could be tonight than with our brethren, worshipping our Creator. Hope to see you there. God bless!

Ray Sullins

GOD'S PEOPLE STANDING ON GOD'S WORD!

SUNDAY, MAY 20, 2018

Michael Neeley
 Missouri State University
 Bachelor of Science Mechanical Engineering Technology
 with high honors
 Employed with L&W Industries Engineering Department

ELDERS' CORNER:

Greetings from the elders at K.E. Hope everyone is enjoying the good weather.

Our annual BIM Lectureship began on Sunday and will go through tonight (Wednesday). We have had great lessons on "Statements That Edify from the Scriptures." It has been so good to see so many of our past students and family here. We have had seven lessons with two more tonight. Our attendance has been good with many visitors from the area. There are CDs available for all the lessons if you sign the list on the foyer table.

Please continue to pray for all the ones that are having health problems. Especially Maegan Sanders and Richard Medley's brother, Bob after his by-pass surgery on Tuesday. Pray for the ones in nursing homes and the ones confined to their home. Send a card or call them; they would love to hear from you.

See you tonight and for worship on Sunday.

Gary & Jerry

Elder on Call for May: Jerry Sullins

Youth Group Devo

Friday, May 25th @ 6 pm

At the home of Matt & Jennifer Koontz
 Outdoor games & bible trivia
