THE K.E. FAMILY LIFELINE

## MAY 27, 2018 BULLETIN RAY'S REMARKS:

Hello brothers and sisters. I hope you are enjoying your summer. I know the kids are excited to finally be on summer break and it won't be long before many of our summer activities are underway.

Well it was a great weekend as we had the honor of celebrating the marriage of Robbie and Hannah. Everything went well, and we wish them God's richest blessings in their new life together. It is great to have them as a part of our family at K.E. We also want to say Congratulations to David and Julie. I know they are proud parents and are happy that they have a new addition to the family. All the Fielder family is a great blessing to our congregation!

We are less than two weeks away from our BIM graduation. Let's keep all of our students and graduates in prayer as they finish out their studies. We also have several making preparations to start in August so let's keep them in prayers as well.

Also, we are only a little over two weeks away from our Happy Hollow Bible Camp Session starting. We are looking for a good year and I want to say a big thanks to all who are helping out with the session, as well as all those coming out as campers. I know God is going to bless us all with another great year.

We also have our Annual Couples' Workshop which is only a little over one month away. I hope everyone will plan to be a part of this time of fellowship and spiritual growth. It is a great blessing to have such opportunities to focus on the things of God.

I hope you all have a great day and that you are preparing to gather for our Bible study this evening. It is always a great blessing to gather as God's people. See you soon! God Bless!

Ray Sullins

These next two weeks, please bring peanut butter and syrup. We do have several requests from people in the community as well as members of the church. If we all bring these two items, then the need will be met. Thank you for helping.

# ELDERS' CORNER:

Just a week from this coming Sunday, we will have the graduation of our 12th class. Those graduating are Zachary Hall and Evan Welch. We are very happy over the commitment these men have demonstrated towards finishing their studies at BIM. Both are graduating with very good grades. Brother Zachary has already committed to a work in Vienna, Missouri and brother Welch will begin a full-time work at Bergman, Arkansas. We are confident that both men will be able to do a great work wherever they may have the opportunity throughout their lives. The Graduation will be held at 2:00 p.m. on June 3. Hope to see you here to encourage them in their desire to reach out to the lost.

Last Sunday evening, honor was given to our high school and college graduates. Those graduating from High School were: Cruz Escobar, Tyler Gardner, Dante Villarreal and April Powell. Michael Neely was honored having graduated from college. Our prayers are that all of those honored will always put God first and have a long and happy life in the fields of endeavor they choose.

Again, congratulations to Robbie and Hannah Kirkland as they recently joined together as husband and wife. May the Lord bless them with a long and happy life together.

Continue to remember the sick in your prayers and those of our number who are shut in. Special prayers are requested for Meagan Sanders.

Hope to see you all Sunday and at every service.

Jerry & Gary
