JULY 22, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brothers and sisters. It has been nice to finally get a little rain. Although it hasn't cooled off much yet, it is still wonderful to see the grass begin to green up and for many plants to get their second wind! I hope you all are enjoying this week and I hope you are staying busy with many opportunities in your Christian service.

Well, the watermelon last Sunday evening was delicious. Thanks to everyone who stayed and to brother Clyde for organizing and getting the watermelons. It's always wonderful to spend such times together as the family of God.

I have been working with and helping a few of our coming students this week, at the BIM. Many of them are still working on raising support and preparing to move to Springfield. So far, we have our own brother Dante who will start classes this August. We also have a brother named Jody and another brother named Dylan. Please keep each of these men in your prayers as they make preparation to come. Also, we have a few others who are still considering coming this August; let's pray that God will help them to make the best decision at this time. Certainly, it is a big commitment to give two years of your life to the study of God's Word. However, I don't know of a better thing or more enjoyable thing that one could do as a Christian if they really love God and want to be busy in His service. May we all keep praying for our good school here and throughout Africa. I know God will always bless our faithful efforts for Him throughout this world.

It's hard to believe, but we are almost through the month of July. That means August is just around the corner. We have some great things happening in August. Remember our VBS which starts August 5th. Also, remember that brother Brent begins his full-time work with the BIM. November 20th is also when the BIM starts its new year of study. We also have many things going on at the congregation with the Agape program, visitation program etc. Let's all do our part to do all we can for Jesus. How blessed we are to have such an opportunity to serve our God.

I look forward to seeing you all tonight. May God bless us all as we do His Will and as we strive to obey all His commandments. See you soon!

ELDERS' CORNER:

Greetings from the elders at K.E. We pray that everyone is having a good week.

Sunday was a great day at K.E. Ray gave a good lesson.

We want to thank all of our Bible school teachers for teaching classes.

We had a good turn out for the Agape meeting and lunch. The Tacos were yummy.

We want to thank our young people who went our Sunday to visit and encourage the ones that are not able to attend. These people love to have visits and cards.

We thank Clyde and Robbie for supplying the good watermelon. The congregation enjoyed the melons and the backyard fellowship. Please keep all our members that are having health problems in your prayers.

Please keep Jerry and Edith in your prayers while they are in Africa. Pray that their health will be good and much good work for the Lord will be accomplished.

We also want to keep Mary Patchell in our prayers as she takes her time to drive the van to take our kids out on Sunday.
