BULLETIN

RAY'S REMARKS:

Well, the Bible Institute of Missouri is off to a great start! We had a large number present for our first chapel of the school year to welcome our new students. A big thanks to all our graduates who were able to come and be a part of this time of fellowship and encouragement. We are excited to have our new students with us. Brother Dante, Jody and Dylan all seem to be ready to study and grow in God's Word. Please keep all of these good brothers in your prayers as they make adjustments to their lives in order to do their studies and deal with the difficult level of learning. May God be with them and bless them all! Let's also remember brother Brendan who has returned for his second year of study. He is one of three who started his last year with his class, but he is continuing on and doing a great job. Let's also remember our instructors in prayer as they prepare to present their lessons to the students. May we all grow in the grace and knowledge of Jesus! I know God will continue to bless His good work at the BIM.

Also, let me encourage you to keep Dad and Mom in your prayers. They are now traveling back to the U.S. and will be home Thursday morning. May God be with them in their travels and bring them home safely.

I received a report from Ghana the other day. Brother Williams Anarfi says all is well in Ghana and that things at the school are going well. He told me they had heavy rains this year and it washed away our back security-wall on our school compound. They are going to begin working to replace it even this week. We are also trying to complete a guest room at the school for visitors when they go. It will save us a lot of money to have a place to stay on the compound rather than having to stay 30 min to an hour away in a hotel. Hopefully these renovations will be done soon and we will be able to use this guest room when we go in November for graduation. Please continue to remember all our schools and the many workers and students in your daily prayers. God's work is great, and we are privileged to have a part in it throughout the world. Thanks be to God for His wonderful blessings.

I look forward to seeing you tonight for our mid-week service. Also, let's remember to be prepared and ready for this coming Lord's day. It is always a blessing to gather as God's people and to worship our Creator! See you soon and God bless!

Hope everyone has noticed our mini bus. It has been lettered and looks very nice. It will be noticed as we drive down the road. Thanks for the help in purchasing it.

We want to keep those who are having health problems in our prayers. Check the bulletin and pray daily for their health.

The BIM started classes on Monday. Pray for the students and the instructors.

Keep the African preacher school in your prayers, also.
