SEPTEMBER 2, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

What a blessed week we have had again as God's Children. We got our week started out right with our Worship on the Lord's day. We also had a great Agape meal gathering after morning worship. It is wonderful to have such time to gather as God's people to Praise Him and to edify one another. It was also a great time to share our faith with neighbors and friends.

It was a great blessing to have my parents back safely. They arrived last Thursday, and it was good to have them back with us for worship on Sunday. I look forward to hearing more details about their trip and its success. We are very blessed to be involved in such works throughout the world.

Well, we finished our first week of study at the BIM. I must say, so far so good with our new students. I am very proud of them all and the good job they are doing. They really seem to be focused on their study and trying hard. Please keep them in your prayers as they make a lot of adjustments to all the study. Several of them are still working on raising support for their schooling, please remember them in prayers on this, as well as many congregations and individuals who are considering assisting them while in school.

It's hard to believe, but we are only a few days away from September. Let's all remember that September has 5 Sundays, which means we will have our regular 5th Sunday activities as well. We will have a potluck for all the congregation, as well as our early service. We will also have our 5th Sunday contribution. Keep in mind that this 5th Sunday contribution will be focused on our new Minibus. We owe just under \$8000 for it, so if we can come up with a good 5th Sunday contribution, everything over the regular budget will go to pay off the bus. Let's start making plans now to lay extra aside and get as much paid off as possible. Thanks for your help with this great need!

Well, I hope to see you all tonight for our mid-week service. Also remember that the Lord's day will be upon us soon. Please make proper preparations and be ready this Sunday to give God our best. God bless!

Ray Sullins

ELDERS' CORNER:

"Time is filled with quick transition" is part of a song that has been sung for generations. How true is that statement! It seems like only yesterday that this year began but we are getting close to the end of another year. More than ever the need for us to be prepared for either the coming of the Lord or the day we will leave this ole world for a better place. Let us all look forward to the promise we have from the Lord himself of that dwelling place in heaven.

Edith and I are very happy to be home safely, once again. Within a short time, I will give a report of the work that went on during our extended stay in Zambia. Again, we want to thank the congregation for the loving support we have received to continue in a work we started in 1988. You will be excited about the results of that work.

There are many among us who are dealing with serious health problems. They need our support and prayers. We pray for God's richest blessings on them all.

Please bear with us as we strive to deal with the serious problem of the Homeless coming into our assemblies. We don't want to in any way to discourage anyone who is honestly and sincerely desiring to learn about God's Word but most who come our way are disturbing our worship. We invite you to offer suggestions as to how we can properly deal with this problem. We do have a right to worship our God in peace and security in our own place of worship. For that reason, we want to do everything to maintain a proper atmosphere for worship when we assemble and do our best to protect one another as we worship God.

We love you all. Thank you for your prayers and support.

Jerry & Gary
