## SEPTEMBER 16, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

How blessed we are to have another great week of life, as given by our God. I hope we are all making the most of every moment and every day, for God has given us every reason and every incentive to do things His way.

Things are still going well at the school. It is great to have Casey studying with us now. We really have a good class this year. Everyone seems to be happy, committed and focused on their studies. Thanks for all the prayers you all have offered on their behalf. God continues to bless the great work at the Bible Institute of Missouri.

I received a report from Ghana today. The school there is going well. They are now in their final quarter of studies before their first graduation in November. In fact, all our schools in Africa will have graduations in November. I know this is an exciting time for them all, and I am thankful for all the hard work and labors to get to this point. I hope we all will remember the schools in Ghana, Zambia and Uganda in our daily prayers. May God's Will continue to be accomplished through our efforts in Africa and around the world.

We are excited about our Gospel meeting this year. It will be a great blessing to have brother Keith Cozort with us starting October 14. I hope you all are ready to be present and to grow in God's Word. Let's all make sure and invite our family and friends. This will be yet another opportunity to share and grow in God's Word.

Please continue to remember that this month is a 5<sup>th</sup> Sunday. We still need your help with paying off the new church bus. Please set aside some extra funds on the 5<sup>th</sup> Sunday and everything over the budget will go toward paying it off. Thanks for your help with this great need.

Well, I hope you have a great remainder of the week. I look forward to seeing you tonight. Also, remember our privilege to worship this coming Lord's Day. It is always a blessing to gather as God's people and to worship our Creator.

See you soon and God bless!

## ELDERS' CORNER:

In less than a month we will have our Fall Gospel Meeting. This year we are pleased to announce that brother Keith Cozort who preaches for the Mountain Grove church of Christ will be our speaker. Keith is a mature gospel preacher and will present lessons from God's Word that will encourage us all to know and live God's will. The dates of the meetings are October 14-17. We have these types of meetings to not only reach out to visitors who may choose to attend but to also strengthen us all as we strive to live the life God expects of all of us. We want to encourage you all to attend every session possible. By doing so, you will encourage others and will be a part of the effort to reach out to the lost who will be attending.

Special prayers are requested for Jan Green who will be undergoing surgery very soon. We pray for her speedy recovery. Many others of our number are dealing with daily health problems. Remember them also in prayer as well as our shut-ins. A special acknowledgement to those who regularly send cards of encouragement to all our members who are dealing with the problems of this life.

We want to thank all of you for your continued support of the work here at K.E. Things seem to be on the upswing, especially in our spiritual growth and contributions to the work overall. We can accomplish great things in the Kingdom by working together for that Goal. Let's not forget to greet our college age students who attend here while they are in the University and other endeavors. They need our encouragement. We need to make them feel that they are a part of the family here at K.E.

Hope to see you all at all our services.

Jerry & Gary
