OCTOBER 7, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brethren! I sure missed being with everyone on Sunday, but I had a great time meeting old friends and reminiscing about yesteryears! It was great to see so many people in Eldorado who knew me as a teenager. We had a great time together worshipping God, and in fellowship one with another. It was really neat for me and for them, that I was able to come and to preach my first full length gospel sermon there! Lots of great memories flooded my mind as I was there visiting, but it was great to make some new memories as well.

I hear that everything went great at K.E. this past Sunday. A big thank you to brother Chuck and to brother David for filling in for me. I hear they did an excellent job. I was excited to see the 5th Sunday contribution. That means we will be able to apply around \$3925 to the bus of the contribution. That means that we have already paid for the majority of the bus and only have \$4000 left. Thank you all for your love for God and for being such good givers. May God bless us all as we continue to give our best to see that His work is done!

I hope you all are making plans to support our Fall Meeting. There is nothing greater we could be doing than studying God's Word and accomplishing His Will by gathering and hearing the Gospel proclaimed. Furthermore, what a blessing it will be to share this time with others as we learn more about God's Word. I hope you will all invite family and friends to be a part of this time of spiritual encouragement and growth. Also, remember that we will have a potluck on the 14th to be able to spend time with brother Cozort and to get to know him better. What a great opportunity this will be to give even more time and service to God.

Also, keep in mind that the annual hayride at the Heavin's will be on October 20. I hope we will all be present to enjoy this fellowship before God. How blessed we are to share such time as the faithful of God. We are well blessed!

Well, I look forward to seeing you all this evening for our mid-week service. Also, remember the importance of the Lords Day. What a great time it will be to gather as God's Children and to give Him our best. See you soon!

Dear Brethren,
 May the good Lord look over the BIM program as we donated our oldest grandson, Brent Green to further this training program for those to teach, preach and spread the gospel to all parts of this planet. Thanks for the video by Brent recently of the African work.
