OCTOBER 21, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brethren! We have certainly had a great week with our gospel meeting this year. It has been nice to have brother Keith Cozort and his wife Cheryl with us. They are a fine Christian couple and a Godly example of what we all should be striving to be before God. It has certainly been an encouragement to share in God's work with them this week.

We have had a good attendance overall! I just wish that more of our own church family would take advantage of times such as this to grow in God's Word. I know things can come up, but I don't know of a better place we could be on any given night than with our brethren worshipping our God. I know some were watching online. We are very blessed to have the opportunity to stream our services live through OABS! A big THANK YOU to them as always.

Everything is going well at the BIM. We have now had the opportunity to hear all our new students speak in chapel. They all did a great job for a first lesson and we are excited about their potential and their eagerness to grow in God's Word. Please keep them all in prayers as we continue to train them in the Word of God.

It's hard to believe, but we are only a little under three weeks away from leaving for Africa. Brent, Trey, Matt and I will be heading to Ghana for our first graduating class at the Missouri Institute of Biblical Studies Ghana. Then we will fly over and meet Dad and Seth for the graduation there. Dad and Seth will leave the same day as us, but they will head to Zambia for the graduation there and then will fly up to meet us in Uganda. This is an exciting time of the year to see that all three of our schools in Africa are having graduations to train Gospel preachers who are ready to head out and preach the Gospel of Jesus Christ to a lost and dying world. Please keep us in your prayers in our continued preparations and keep the students, faculty and schools in Africa in your prayers as they wind down and complete their studies before graduation. Praise be to God for the great things happening in Africa for His Kingdom.

Well, I hope you have a great day. I look forward to seeing many of you at the Hayride this coming Saturday. Also, remember to be present for the Lord's day. Let's all be ready to give God our very best. See you soon.

THANK YOU:

Thank you to everyone who sent me all the beautiful get-well cards; I enjoyed each and every one of them. Also, thank you to Kay for the wonderful tomatoes that she supplied me with all summer.

I received a shot in my hip on Friday and it seems to be helping some with my walking. I miss coming to services and will be back as soon as I can kick this cumbersome cough and get my strength back.

Love, Marge Langston

ELDERS' CORNER:

Greetings to all the members at K.E. Hope everyone is having a good week. Our Gospel Meeting with Brother Keith from the church of Christ at Mountain Grove has been very good. He gave lessons from the Bible. Our attendance has been good with many from area congregations. Brother James Cartwright is making improvements but still is in the hospital. Please continue to pray for James, Sarah and their family. The congregation has been very helpful in contributing money and prayers for their good family in the amount of \$2,260. We will keep you informed if more is needed. Please pray for all our members that are dealing with health problems. God answers prayers. We have good students in our BIM classes. Pray for them and the instructors daily. If you missed any one of our Gospel Meetings, you can request a copy of any of the meetings on CD There is a signup sheet on the foyer table. See all of you on Sunday.
