DECEMBER 23 & 30, 2018 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Happy Holidays brethren! I hope you are all doing well and that your week is going well.

We had a great weekend last week, when were able to have so many of you over to our house for our Holiday parties. We had over 60 present during the two nights and lots of fun and fellowship was had by all. I also hear that the Teenage party went well. Thanks to all who organized these parties and who attended. It is great to be a part of God's family at Kansas Expressway.

Sunday was also a great day. We had a wonderful worship together before God's throne. I also hear that the younger youth function Sunday afternoon went well also. Our older youth group also did a great job Sunday afternoon visiting our shut-in and home bound. We are a blessed people at K.E. to have such great church family and young people.

I also wanted to thank Brent for the great job he did presenting the update on our trip to Ghana and Uganda. Hopefully it was encouraging to hear about all the good work we were involved in while gone in November. Thanks again for all the help and prayers. We love and appreciate you all.

You may have noticed in his presentation that he mentioned the start of the school in Ghana at the end of January. Since we are tripling our class size and have so much to get set up and ready for the new class, I am going to be traveling to Ghana at the end of January. I will only be gone for one Sunday but will have time to set up for the new students, welcome them, and teach for the first week of classes. Thankfully, brother Bill Heavin is going to go with me. Please begin to keep this and all our works in Africa in your prayers. Many great things are happening for God here and around the world. We are truly a blessed people!

Finally, let me remind you that this month is a 5th Sunday. That means we will have an early service at 1:30 p.m. in the afternoon, instead of at 5 p.m. However, due to the holidays we will not have a potluck but will be having a New Year's Eve get-together on Monday at the building. All are welcome. We will also have a 5th Sunday contribution. We have our regular end of the year payment due to the TV station for the weekly taping of the program. The yearly cost is \$9000, and we are needing at least half of that amount. So, anything extra we can do will help the elders a lot to fulfill this need toward this great work for God. Thanks for any extra you can give.

I look forward to our opportunities to gather and worship God over the next many days. I hope to see you for Bible Study tonight. Have a wonderful day and God bless!
