JANUARY 13, 2019 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brothers and sisters! I hope everyone's new year is off to a great start! What a beautiful week it has been. We especially had a nice weekend weather-wise. All these nicer temperatures make us long for Spring to get here. However, I understand it is supposed to get chilly again and maybe even snow. Wow, welcome to the Ozarks.

We are winding up another quarter at the BIM. I am thankful for the good work the students are doing as they continue to grow in God's Word. Next quarter is going to be another exciting one as I will be teaching Corinthians and Greek III. Please keep these men in your prayers as they face research week next week. I know God will continue to bless them as they grow in His Perfect Word.

It's hard to believe, but brother Bill and I will be leaving for Ghana in less than two weeks. Please begin to pray for us and our trip to Ghana. We look forward to being there and helping our brothers get ready to accept 16 students. It will also be exciting to teach classes for a week, as well as to visit with local brethren and congregations in that area. May God bless us with a safe trip and a profitable trip for His sake. In connection with this, we are still raising some funds to help with all of the startup cost at the school. If any of you are able to help, above and beyond your regular contribution it would go a long way in helping us meet our needed goal. Thanks for your consideration.

I hope to see you all tonight for our mid-week services. Also, make sure to be present for the Lord's day as well. Sunday will be a great day to worship and praise our God together as His People. May God bless us all as we strive to do His Will together. We are truly a blessed people of God.

ELDERS' CORNER:

Greetings to you all in this NEW YEAR! We are expecting this to be a year of progress in our work here at K.E. Your faithfulness in attendance and giving has been exceptional in so many ways. We want to thank you all for all you have done in the advancement of the work here in 2018. What is more a blessing is the way we have grown in the Spirit of Christ in our relationship with one another. That means so much to all of us. We are looking forward to 2019 and pray God's richest blessings on us all in this New Year as we serve Him together.

We are proud to announce that Nick and Theresa Hausladen have decided to become a part of the work here at K.E. They are a faithful couple who come to us with good recommendations from the brotherhood. They want to be active in the congregation and do what they can for the advancement of the cause of Christ here in this community.

Our pantry is almost depleted. We need your help. We will have a special month to fill our pantry in the month of February. We will let you all know of the details to fill our pantry so that we can take care of the needs as they present themselves here at the building.

MEN, PLEASE PLAN TO BE WITH US FOR AN ELDERS/MEN'S MEETING AT 4:00 P.M. ON THE 20TH OF THIS MONTH.

Let's not forget those loved ones of our number who are dealing with serious health issues. They need our prayers, cards and visits.

Hope to see you all at all our services and Bible studies!!!!

Jerry & Gary
