FEBRUARY 24, 2019 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

How wonderful it is to be children of God! We have been blessed with another week of life and God continues to do great things in all our lives. I hope we are responding to the great love of God with faithfulness and I hope that we are striving daily to follow His perfect will!

Well, things are going well in Uganda. Dad told me that the construction is going well, although he found that they had not measured the building out properly when he went; so, I guess it is good that he is there to make sure things are following the plans agreed upon. He also told me that 19 students showed up to begin their schooling on Monday. Orientation began on Tuesday and today is the first day of classes. Let's all remember this good work in our prayers. Let's also pray for all our schools in Africa, with their new students, teachers, supporters, etc. We are very blessed to be a part of something so good that is making such a difference in the Kingdom of God.

I wanted to go ahead and remind you about a few Lectureships coming up soon. First, on April 7 an annual lectureship will begin at the Lincoln Church of Christ, in Lincoln, Missouri. This Lectureship uses our students and faculty from the BIM as their speakers. We always enjoy being with the brethren there and growing together in God's Word with them. This congregation has been a strong supporter of our works, especially the BIM, for many years. I hope many of us will visit with these good brethren that week. Please remember this good work in your prayers.

Then, remember that our annual BIM Lectureship will be on May 5-8. As you know in this lectureship, we have speakers which include students who are about to graduate, sometimes present students in their first year, previous graduates and faculty members. I know we will all want to be a part of this opportunity to study and grow in God's Word. Let's be praying for the success of this good work as well.

Well, I hope you have a great day and I look forward to seeing you tonight as we gather to study God's Word and worship before His Throne. I also look forward to our gathering this coming Lord's Day. How sweet it will be to come together and worship our God in spirit and truth. May God bless us all as we strive to be faithful!

ELDERS' CORNER:

Greetings from the elders at K.E.

Hope everyone is having a great week. this weather has been crazy lately, warm one day, snow and freezing the next. Spring will be here March 20th. Maybe that will bring good weather.

Please keep our members in your prayers that are having health problems. It sure is great to see Freda and Reva in the assembly in this cold weather.

Parents, urge your young children not to run in the building. We are afraid someone will be hurt.

Brent Green will be leading a 2nd Adult Bible Class beginning Sunday, the 24th in the fellowship room.

Continue to keep brother Jerry in your prayers. He will be back soon. Pray he will have a safe trip.

We hope to see everyone on Sunday for worship to our God.

"What then shall we say to these things? If God is for us, who can be against us?" Romans 8:31
