MARCH 17, 2019 BULLETIN RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello brothers and sisters! I know God is continuing to bless you in your daily walk for Him. It is a wonderful thing to be a part of God's family and to be a member of such a loving congregation. I hope we all realize just how blessed we are to have God in our lives, as well as each other, as we strive together to obey God's Will in this life.

I know we are always mindful of those of our family who are dealing with different trials in this life. I hope we are especially mindful of brother John Martin today and this week as he has gone to Barnes Hospital in St. Louis to get a second opinion in relationship to some of his health problems. We also need to remember those who continue to recover from recent health issues and surgeries, especially brother Ken Lee and brother Gary Dalton. Let's also remember sister Mary as she continues to heal from her back fracture. All of these and many others on our prayer list need to be remembered in our daily prayers. It is a great blessing as family to bear each other's burdens in this life. This is one of the greatest blessings of a Christian Family!

This month is a 5th Sunday month. I hope we are all making plans to be present for our regular worship to God in the morning, however, then we will have a potluck and an early service at 1:30 p.m. Also remember that this 5th Sunday we will also have our 5th Sunday special contribution. The elders have agreed that this month we can try and raise at least \$2000 to help with the work in Ghana. We have a special need for our brother Samson Omutele from Kenya (one of our teachers there). He needs to be able to travel home to Kenya and get his wife and child who are going to come to Ghana and stay with him for the remainder of this intake as he continue to teach our current class. We thought it was good and proper for him to bring his wife and child, since this is the second class he is helping to teach and it is very difficult for him to be away from His family for such long periods of time. Anything we can give extra on the 5th Sunday, will go a long way to help with this special need in Ghana. Thanks in advance for you consideration of this need and your help.

Well I look forward to gathering for our mid-week service tonight. I hope you will be present and ready to give God your best. Lord's willing this is our desire each and every day of life. May God bless us all as we strive to be faithful in His service.

ELDERS' CORNER:

You may have noticed that we lost a few shingles off our church building's roof this week. We want to thank brother Clay Hoffman for replacing those shingles. Clay does a lot of work around the building saving the congregation a lot of expense in repairs, etc. Thank you, brother, for your dedication as a deacon of the congregation to assist with the care and keeping of our grounds and facilities.

Our special prayers are extended to brother John Martin during this period of serious health problems. Even today, he is undergoing more tests to determine an existing problem with his health. Remember him in a special way when you pray. It was good to have brother Ken Lee back with us on Sunday, although he is still struggling with some serious health problems. We are thankful for Gary Dalton's successful surgery this past week. Many others need our thoughts, prayers, cards and visits. We love you all and pray for God's help in restoring your health.

Remember that our Spring Lectureship is coming up during the dates of May 5-8. The theme for the Lectureship will be: THE GOSPEL OF CHRIST. The complete schedule will be out soon. Make plans to attend every session.

We are still in the process of organizing another Wednesday night adult class in the fellowship room. Thank you for your patience.

Hope to see you all at all our services!

Jerry and Gary
