BULLETIN

RAY'S REMARKS:

Well, we have had another beautiful week of life. Yet another great blessing from our God. I am reminded of His glory and power as I look all around during this time of the year. How beautiful things are beginning to be this Spring as we consider the wonders and glories of God's creation. I hope you are enjoying this time of the year and thus taking advantage of the good weather to get out and enjoy God's blessing and to do more to serve Him. However, I'm afraid sometimes we all are guilty of forgetting God and not doing more for Him when we are doing so well and so blessed in this life. May we always realize how much God loves us, all that He is doing for us, and therefore serve Him in our daily lives as certainly He is worthy of such.

Everything is going well this week with the Lincoln Church of Christ Lectures. All our students and several of the faculty have now spoken on the lectureship and tonight is the last night. Brother Dante will be speaking tonight, and I know that he will do a great job. I am proud of all of our men at the school as they continue to grow in their skills and strive to become better proclaimers of God's Will. We all are certainly blessed to be a part of such an important work of the Lord.

I also know that brother Brent has been doing a great job this week at Bona. As most of you know he has been in a gospel meeting there. The congregation at Bona is a great supporter of our many works. They are a fine and faithful congregation of our Lord. I know the meeting will conclude tonight and that it will have been a great profit to the brethren in that area.

Things are going well in Ghana. The students continue to push forward with their studies. Brother Samson went home to Kenya last Thursday to collect his wife and child so that they may return to Ghana. They are leaving for Ghana in the morning. Let's pray for their safe journey and arrival. I was telling him yesterday that he and his wife are now the first missionaries from Kenya to go and work in Ghana. That is really neat to me and we all have a part in this exciting effort. I know the Lord's work will continue to be done in Ghana and in Zambia and Uganda as well. God certainly has been good to His servants involved in these respective works.

I look forward to seeing you all tonight for our mid-week service. It is wonderful and a great blessing to gather as God's people and to study His word and to worship before His throne. What a true great and wondrous God we serve. May He continue to bless us all as we put Him first in all things.

ELDERS' CORNER:

Greetings:

What a beautiful Lord's Day God blessed us with this past Sunday. Days such as that remind us of God's power and love. We had two great services and were encouraged to have several visitors. We also honored our graduates Sunday following evening services. Congratulations to Rose Cobb and Isaac Hoffman on their graduation from high school. Luke Tebbe was also honored for graduating from Des Moines University with his Doctorate of Podiatric Medicine.

Please keep the family of Jeannie Bradley in your prayers; we appreciate all who attended her memorial service last Saturday.

We found out John Martin's surgery for his hernia repair was moved up to the 11th. He will be having that at Barnes Hospital in Saint Louis. Pray for a successful surgery and his speedy recovery, too. Sister Reva Lewallen has also requested special prayers for her health.

We encourage each of you to pray for the church, the elders, the deacons and the strength and growth of this body of the Lord's church.

In Christian Love,

David, Gary & Jerry
