BULLETIN

RAY'S REMARKS:

Hello brothers and sisters. God has blessed us with another great week of life. Thanks to the care of God we have had recent rain and sun. We truly serve a loving and caring God who always provides for us those things which we need. We are surely a blessed people of God.

Sunday was a great day as always. It was again nice to have several visiting with us. Some were brothers and sisters just passing through our area. However, others were visitors from our community. It is always a blessing to share our faith with others. May God bless us as we strive to be proper examples and lights to those we come in contact with in this world, or as they join us for worship. It is truly a blessing to be lights to this world.

This week we have begun to post our Lectureship sermons on Facebook. So far, we are having a great response from these posts. Please remember that the more we view, like, and share the church post on Facebook; the more we have opportunity to reach others with the gospel of Christ. We have thousands who view and like our post every week, in all things to God be the Glory! I wanted to give a special thanks to sister Sarah. She makes or prepares all of the scripture posts we put on our page and she does a great job. It is exciting to know that we are reaching people all over the world with our daily post on Facebook as well as many more through our church web site. How wonderful it is to reach out with so many great tools to proclaim God's Word. Thank you all for helping to make these tools effective in taking the gospel to the whole world.

Please keep brother Leon in your prayers. We all know that he continues to struggle with some health issues. He spent a few days in the hospital getting an "adjustment," but is doing better again now and is headed home today. We thank God for his improvement.

I look forward to seeing you tonight for our Bible Study and Worship. Won't you give this time to God this evening and be encouraged though our time spent together. See you there! God bless!

Ray Sullins

ELDERS' CORNER:

Several in our congregation are experiencing health problems. Brother Leon Wake has been in the hospital for a few days for treatment. He should be released even today. Also, sister Evan Simon is suffering from kidney stones and will possibly undergo surgery. Sister Carolyn Lee continues to improve from a recent fall. Others are confined to home and unable to attend our times of worship. Our prayers are with our brother and sisters. Remember them with cards and visits.

It has been a real struggle to find companies who can repair the roof of our building. Also, the same is true about the repair and/or replacement of our baptistry. Progress is being made to get the repairs done. We hope to have these two issues settled soon. You may have noticed that our attendance has been on the increase this year. There is a lot more that can be done to reach out to the lost by each one of us. We have friends, relatives and associates that are within our reach that we can influence for Christ and which will result in the building up of the Kingdom. A slogan was developed years ago that said, "Each one, bring one." If we all concentrated on just making that effort, we would see this congregation grow rapidly. Why not give it a try!!!

What we say to one another is very important. At times, there are Christians who seem to not be able to control their words to or about one another and they involve themselves in slander, gossip, backbiting, and many other ways that abuse others with their words. It is certainly a sin to do so. We will stand in judgement by what we say to others and what we say about others. Jesus said, "by your words you will be justified, and by your words you will be condemned". Matthew 12:37 To receive or to encourage those who misuse and abuse others with their words is to be a part of the sin.

This coming Sunday, we will share a meal together after the Sunday morning worship and our afternoon worship will be at 1:30. Hope to see you all.

Your Elders,
 Jerry and David
