BULLETIN

RAY'S REMARKS:

K.E. FAMILY LIFELINE

Well, the holidays are upon us and I hope everyone is enjoying this holiday season.

We had a great turn out last weekend for the Holiday parties at our house. We had 31 both nights and everyone seemed to enjoy our time together. Thanks to all of you who came to our home and joined us in this time of fun. It is always a great blessing to be together as God's family and to enjoy one another's fellowship in the Lord.

It's hard to believe that the Christmas holiday is next week. I know everyone will enjoy their time off and their opportunity to spend this time with those who they love. I am anxious for my kids to all be home. I love having our family together and spending time together. There are few things in life as enjoyable as being with your loved ones during the holidays.

Today we started final exams at the BIM. The students are no doubt ready to get through this week and to have a few weeks off. Please keep brother Casey and Dylan in your prayers as they will be traveling home for the holidays. All of our men are doing a great job in their studies and in their love for growing in God's Word. We are proud of them all and thankful for the good work they are doing.

As we grow closer to the end of a new year, we no doubt have a lot to think about and consider. This is a good time to reflect and to give an honest look at how things are going in our lives in a physical and spiritual way. By doing this we are able to make adjustment, correction or improvements to make sure that we are doing the most we can with our lives and the best we can with each and every day. I hope we will all take the necessary time to really consider where we are in our current lives, thus doing what we need to in order to be even more effective in the work of our Lord. So, I'm wishing you all the very happiest of holidays and a very wonderful New Year.

I look forward to seeing you all tonight for our mid-week service. Let's all be present and ready to give God our very best. May God bless us all as we continue to grow and strive to do His will in all things.

Ray Sullins

**ELDERS' CORNER:**

As the Lord wills, we soon will be blessed with a new year. Very soon now we will be able to place before you our plans for 2020 as it relates to the repairs and renovations to our building. A finance committee has been chosen to help us in determining what will be our budget in the future to take care of necessary repairs to the building. As soon as we decide on our budget, we will announce it to the church as a whole and you will receive your 2020 Membership Book.

Please remember that on the 5th Sunday of this month, December 29th, we will have a special contribution towards the yearly payment of the production cost of "The Living Word" broadcast. The cost each year is \$9,000 of which we have approximately half of that amount. It is our hope that we will be able make the final payment on this obligation by the first of the year. Thank you for considering helping on the last Sunday of this month.

Remember our sick and shut-ins. Brother David Guiheen is not doing well although his doctors have found out that he was not diagnosed properly since the beginning of his serious health problems. Prayers, visits and cards are a great encouragement to all of our members who are dealing with serious health conditions.

A special word of appreciation to all those who helped with the Holiday baskets. They brought a lot of joy to those who received these thoughtful gifts.

The Holiday Season is upon us. It is a time to be with our families and friends to enjoy food and gift exchanges and a new year celebration. All of us have fond memories of being with loved ones throughout the years at these very special times. Many of us will be traveling long distances to enjoy the Season. May God bless you all in your travels and may He bless you with good health and happiness in the new year.

In His service,  
Jerry & David
