K.E. FAMILY LIFELINE

RAY'S REMARKS:

Hello brothers and sisters. I hope your week is off to a great start. It has been a little hot lately, but the weather has still been beautiful. God is a good God.

I am still so thankful for the successful VBS we had this year. Last week was a great blessing to all of us who took part. We are so thankful for our members and all the visitors who joined us to give this time to God. Thanks again for everyone who was involved. As more and more congregations are dropping VBS and figuring out ways to get it over with, it is refreshing to see that so many still want to take advantage of such times to grow in the things of God.

As I mentioned last week, the Bible Institute of Missouri is off to a great start. This quarter I am teaching Greek 1 and General Introduction to the Bible. Our classes are really going well, and we are quickly getting back into the swing of things. We are very thankful and proud of our men who are currently training.

We now have our Fall Meeting speaker and dates confirmed. We are happy to be having brother Joshua Ortiz with us from the Hwy 5 congregation in Lebanon. He hasn't been there very long but is doing a great job and seems like a really fine young man with a lot of love for the Lord and the Truth. We look forward to having him on October 13-16. He will be covering a series of lessons on "The Truth." We look forward to having brother Joshua with us and hope you will make plans now to be present every day. Let's pray for the success of this time of growth, to the Glory of God!

Lord willing, this week we will be sending money which has been raised to Ghana to purchase a van we need for the school. We have looked for a long time before finding something acceptable, but God has now blessed us with a good option. I am only waiting for brother Williams to give me the final money needed before I send it. This van will help our faculty and school with evangelism, so that the brethren will be able to get the students to different locations that need preachers. This will also help us to organize more meetings and Lectureships in other areas and enable us to get all our students there. Please pray that this will greatly increase the opportunities to evangelize in Ghana. God has certainly blessed us with the ability to raise these needed monies and to do the good work there.

I look forward to seeing you all tonight. Have a great day and remember that God always blesses the faithful. God bless!

Is Abortion the Same as Murder?

by Garland M. Robinson

Murder is the killing of an innocent human life. Abortion is the killing of an innocent human life. Therefore, abortion is murder.

Many reject the idea that abortion (killing the fetus in the womb) is the murder of an innocent human life. However, the answer to a few simple questions prove that the unborn child is an innocent human life. (1) Is "that" which is growing within the mother's womb alive or dead? Of course, it is alive. (2) Is "that" which is growing within the mother's womb animal or human? Of course, it is human. (3) Is "that" which is growing within the mother's womb guilty or innocent? Of course, it is innocent. The conclusion then is logically drawn by every rational person that the unborn in the mother's womb is ALIVE, HUMAN and INNOCENT. Therefore, the unborn child is an innocent human life! Abortion is the killing of the "fetus" in the mother's womb. Therefore, abortion is the killing/murder of innocent human life.

A "fetus," as it is called by the medical world, is a baby (I prefer to call the unborn child what God calls it, a baby, Luke 1:41,44.) It is a human being. It is yet unborn, but is every bit as much alive, has all bodily organs, feels pain and functions just as you and I.

The Bible speaks of the unborn child in the womb in the same words as it does the child after birth. Luke 1:41,44 uses the word "babe" to describe the unborn child in Elizabeth's womb. The verse reads, "For as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy." The word "babe" is also used to describe Jesus immediately after he was born (Luke 2:12,16). "And they came with haste, and found Mary, and Joseph, and the babe lying in a manger." The Bible makes no distinction between the unborn (Luke 1:41,44), infants (Luke 18:15) and toddlers or young children (Acts 7:19; II Timothy 3:15)!

There is no more moral wrong in killing a child AFTER it is born than there is in killing a child BEFORE it is born. By what sordid thinking do doctors, nurses, medical professionals and willing mothers put to death multiplied millions of little babies/children every year? These unborn children are sacrificed on the altars of greed and selfishness. The deliberate taking of human life is sinful whether the person be two months old inside the womb or outside the womb, two years old or 92 years old! God hates it (Prov. 6:16-19)

ELDERS' CORNER:

We are blessed here at K.E. with many who are very active in works of encouragement. Special appreciation to brothers Wesley Ewing and Bill Heavin for their organizing of the Men's Breakfast every month. We average around 20 or more men and young men once a month for a good time of fellowship together. A devotional is the highlight of our meeting together as we receive encouragement and instruction from God's Word from several of our men who present vital lessons to us as to our responsibilities in life. Why not come and be a part of this good time together.

Our baptistry will soon be operational again. We appreciate the work of brother Donny Gardner in the replacement of our baptistry. Our deacons continue to do their work and are a great asset to the church as a whole.

Our upcoming fall Gospel Meeting will be held by brother Joshua Ortiz who is the preacher for the Highway 5 church of Christ in Lebanon. Joshua is a faithful brother and we look forward to having him with us in October.

Keep our loved ones in your prayers who are dealing with health problems. They need our prayers, cards and visits.

Hope to see you all at all our gatherings.

Your Elders,
 Jerry and David
