## K.E. FAMILY LIFELINE

## OCTOBER 20, 2019 BULLETIN RAY'S REMARKS:

Hello brethren! I hope you are all having a great week. Things are going well in Zambia and God continues to bless our work here daily.

I know that you all are off to a great start with the Gospel Meeting. We appreciate brother Joshua for joining us and helping us to grow in God's Word. I know he is doing a great job and I thank him for helping us out this year with the meeting. I wish I could have been there.

As far as our work here in Zambia. We have been very busy. We arrived last Thursday and began teaching on Friday. Trey has been teaching in the mornings and I am preaching in the afternoon. On Monday, Wednesday and Friday Trey is teaching the book of 1 & 2 Peter; in the afternoon I am teaching Church History and the Preacher and His Work. On Tuesday and Thursdays, Trey is teaching 2 Corinthians and I will be teaching Numbers. We also have been swapping out doing chapel lessons every other morning.

Yesterday was a great Lord's day for us. We got up at 5:00 a.m. and left at 6:00 a.m. to go to the Sikambwe Church of Christ. This congregation is over 3 hours into the bush. It actually took us almost 4 hours to get there on unbelievably bad roads. While at this place we were also able to visit the preachers training school they have started there. It is a part time school; it has already completed the training of 5 men and currently has 10 more in classes from Monday to Wednesday. The name of the school is the Sikalosia Bible School. These brethren have been in a severe drought this year and struggle to get water and food. However, they fed us lunch and it was delicious. We had Shema, chicken, greens, rice and soup. It was a great morning and time to be with these beloved brethren.

After leaving this place around 2 we headed to visit another school about an hour away called the Ngwezi School of Preaching. The congregation which meets at this place is called the Chiley Church of Christ. It took us over 5 hours to get back to Livingstone and it was already dark. Thank God for this good and safe journey and for the time spent with our brethren. By the way, next Saturday, we will be taking another trip back to the same area.

It has been really hot here and the power is off most of the day. We do have a generator in the evenings and the power has been coming on in the late evening. However, we are in good spirits and enjoying the work here.

Well, I pray that you all will be blessed by God in all things and that the Gospel Meeting there will continue to be a success and a glory to God. Please remember Trey and me in your prayers as we continue to work here in Zambia. I love you all and miss you.

Ray Sullins

## BAPTISMS:

We rejoice with the angels in heaven over the Wednesday evening baptisms of Carol DuRall, who is Lynette Hoffman's mother. Lynette Hoffman, was also baptized, wanting to make sure her salvation was correct. They were baptized by their son/grandson, Isaac Hoffman. Welcome to the family of God!

"Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience and our bodies washed with pure water. Let us hold fast the confession of our hope without wavering, for He who promised is faithful." Hebrews 10:22-23

## ELDERS' CORNER:

We all rejoice in the baptisms of Carol DuRall, mother to Lynette Hoffman and also Lynette. We welcome Carol to the family of God and are happy to rejoice with Lynette over her desire to make sure of her salvation. What a wonderful experience to witness this mother and daughter being joined together in Christ by baptism. Our prayers are that they will remain dedicated to God throughout their lives and be together in heaven someday.

We also rejoice with the Hass family in the birth of their son, Ackarley Alan Hass. Jennifer is recovering and Ackarley is doing much better. He will be in the hospital for several more days, but his prognosis is good for a full recovery. Our prayers are with all the family.

This is the last day of a great series of meetings with brother Joshua Ortis. He has brought us some very good sermons on Truth. We do thank our members for supporting the meeting. It is very encouraging when we all make a special effort to support the preaching of the Word of God. Our special thanks to Joshua for being with us during this short time. We look forward to fellowshiping with him in the future.

Ray and Trey are doing a good work in Zambia and will be back with us a week from this coming Friday, Lord-willing. We pray for their safety and for the work they are doing at the school. They are missed!

Hope to see you all at our times of Worship and Bible Study.

Jerry and David
