K.E. FAMILY LIFELINE

MARCH 29, 2020 BULLETIN

RAY'S REMARKS:

Hello beloved brethren. I sure miss seeing everyone and enjoying the love we share in Christ. However, it has been a blessing to continue our worship and Bible studies together through the internet. We are so blessed to live in a country and to have such abilities to still communicate and be together, even though we are unable to physically be together.

We had a great number of people join us last Lord's day for Bible class and worship. In fact, according to our numbers we could see that 300 to 400 people joined us through Facebook. Furthermore, since airing our services on Facebook we have had around 1000 people view the class and services. This doesn't even include our live stream through OABS.ORG. Brethren these are difficult times, but they have turned out for an even greater opportunity to share God's Word and our worship before Him. Also, many who are joining or watching are not yet even followers of God. Praise be to God for the great opportunity.

Please remember to continue to join us on Sunday mornings for Bible class (9:30) and Worship (10:30). Also remember we have opportunity of two Bible classes offered on Monday evenings (6:30 & 7:30). Finally, remember that we have our regular mid-week service on Wednesday evening (7:00). I hope we will all take advantage of every opportunity to study God's word and worship during this time we are stuck at home. Also, please share this information with others that they might avail themselves of these opportunities as well.

Obviously, during this time some of our other activities or planned functions will have to be postponed or rescheduled. Hopefully we will be back to normal soon, but until then we will notify you by One Call Now, and emails when we have information to get out to our church family. Please feel free to call me or the elders if you have any questions or if we can be of assistance during this time to any of you. We love you all and are here to help.

Also, note that the elders have postponed the 5th Sunday contribution in light of the current situation. Hopefully, as soon as things are back to normal this will be rescheduled as it is for the sake of our new roof.

Brethren, be safe, God bless and may we never grow weary in doing good. Use this extra time as a great opportunity of study, growth and great Christian living. Know that God is in control of all things and even these difficult times will soon pass. I love you all and may God richly bless you all!

ELDERS' CORNER:

Be anxious for nothing, but in everything by prayers and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus. Philippians 4:6-7

Brethren, we find ourselves in unprecedented, challenging times. Please pray for our local, state and federal leaders that they will have wisdom and make the best decisions for our collective health and well-being.

As you know, we have had to adjust how we assemble for periods of organized worship and study. We are currently streaming our Sunday morning Bible study and worship services over the internet and Facebook live. Wednesday evening Bible class and our Monday evening BIM classes are also available over those media. It is our intention to continue this schedule until this crisis passes. The elders extend a special "thank you" to Tyler Reid, Donny Gardner and Ray for organizing this effort and making sure we are able to continue to worship and study as a body at Kansas Expressway.

We will be under a "shelter-in-place" order beginning Thursday. Fortunately, it will allow us to continue our current streaming arrangements. It is also possible this may be the last bulletin you receive for a few weeks. We will continue to update you via our One-Call system, email & Facebook.

Brethren, these are challenging, trying times. Remember our duty is to obey and worship our God as commanded in the New Testament. If you need communion supplies, they are available at the building and the BIM. Please make every effort to mail or drop off your contribution as well. Thanks to all who mailed or dropped off their contribution last week. Our contribution was over \$2,600. However, we do ask that you DO NOT mail cash to the building. Cash contributions can be left @ the BIM or in the building if you have a key. If you need assistance, please contact one of the elders and we will make arrangements to pick up your contribution.

Given current circumstances, we have decided to postpone our special 5th Sunday contribution. It will be rescheduled as soon as practical.

Reva Lewallen is at her daughter, Cindy Brown's home in Galena. She's being cared for by relatives & Hospice

Pray for us as we make decisions and strive to lead the congregation in the coming weeks.

David and Jerry
