K.E. FAMILY LIFELINE

JANUARY 19, 2020
BULLETIN

RAY'S REMARKS:

God has blessed us with another week of life, and I hope we are all making the most of it. This year is off to a great, yet busy start for me. It seems like there are rarely enough hours in the day to get everything done that is needed. However, I know with God's help all things work out in life and work to good because of His great care and love.

It's hard to believe that we are already halfway through the first month of 2020. Obviously, this year is going to be another fast one. Let's remember to stay focused on God and others as the days go by. Many of our family are always in need of encouragement and prayers. I hope we will all do our part to let them know they are loved and not forgotten.

Brother Tyler came forward last Sunday for prayers. Let's remember him daily that he might be the type of Christian which he desires. We appreciate his love for God and his willingness to be right with his Creator. I hope this is a good example and challenge to all of us, as well, that we might always keep ourselves in check and doing those things which bring glory and honor to God. What a great privilege we have every day to make sure we are doing what is right and pleasing God in all things.

So far, this year is off to a great start, as well with our afternoon service time change. It has been a blessing for many for several reasons. I have noticed that every Sunday, many families which drive a long way to worship with us are gathering to eat together in the fellowship hall. What a great way this is for many to have fellowship in the Lord and share one another's company.

Another great blessing for me is that I have been able to use the first two Sunday evenings of this month to visit with other congregations. I was able to visit with the congregation in Bolivar the first Sunday and the congregation at Bona this last Sunday. How wonderful it is to get out and visit, as well as worship with our faithful brethren in the area. A true blessing from God. I hope you'll avail yourself of this opportunity as well in the near future.

Finally, our afternoon attendance has been good as well. We have not dropped off any from our regular afternoon service when it was at 5:00 p.m. Thank you all for your good attitudes and for giving this important change a good try. Hopefully, it will continue to give us all more opportunity to grow in the blessings of God.

I look forward to seeing you all tonight at our mid-week service. What a blessing it will be to gather as God's people and to worship our Creator. See you there and may God bless us all in His faithful service.

ELDERS' CORNER:

It is hard to believe we are halfway through the first month of the new year. We hope everyone weathered the winter storm last weekend. While it made travel difficult and prevented several from worshipping with us Sunday, Saturday's snow was truly beautiful and mesmerizing.

The finance committee will meet this coming Sunday. Pray for these men, as well as the elders, as we strive to make wise decisions and be good stewards of God's blessings. We also want to thank you for your giving. On Sunday, January 5th, our offering was almost \$900 over our budget. Despite the bad weather last Sunday, we were roughly \$140 over budget. If each of us increase our giving just \$10 or \$20 a week, it will be easier to address our needs here locally without adversely impacting our mission efforts abroad.

So we can update our records, we have placed work assignment sheets in many of the boxes of the men of the congregation. Most of the ones we had were out of date. These will be used to call on people for future assignments. Please put completed forms on the secretary's desk.

The monthly youth devotional will be hosted by the Sanders this Friday at the building. The Youth Group will also be visiting our homebound members this Sunday following afternoon services. We are also having a Game Night and Chili Cookoff on Friday, January 31st.

Continue to pray for our sick and elderly members. Pray for the lost as well as our delinquent members. Pray for Ray & Brent as they journey to Ghana in early February. Make it your goal for the New Year to attend all formal periods of worship & Bible Study, to involve yourself in the works of the congregation, and to lead someone to Christ in 2020!

In His service,
 David & Jerry
