K.E. FAMILY LIFELINE

RAY'S REMARKS:

Hello Brethren! It is so good to be home with you all and our beloved families. Brent and I had a great trip back from Ghana and God gave us a very safe and prosperous journey. We are thankful to you all for your prayers for us while we were away. We also thank many of you for your assistance with the trip. I am always encouraged and feel blessed to have such a loving church family who support our good works both locally and abroad. We love and appreciate you all!

It was also a blessing to get to spend extra time with all of you last Sunday as we had our monthly potluck. The food was delicious and very enjoyable, especially after having been in Africa. Thanks to all who stayed for this time of fellowship and spiritual growth.

One of the great accomplishments of our trip was our ability to hear our new (part-time) teacher, brother Henry Owusu, teach at the school. He is a previous graduate of the Saturday School program, as well as the full two-year program offered here in Ghana. He has also worked with and preached at a local congregation in Abofour for over 14 years. He is a married man with children. He is also a very humble and godly man, who really sets forth a great Christian example. Furthermore, he has proven his dedication over the years with no support at all from us in his local works. After visiting with brother Henry and discussing the future with him, he has agreed to join the teaching staff full time after the second quarter. That means that in June, he will start full time with the school and move to Aboaso with his family, to be able to fully assist in the work. We are very excited about the benefit brother Owusu will bring to the school.

This also means that our beloved brother Samson (from Kenya), will be able to return home to his family in June and continue his work in Kenya or with one of our other preacher training schools as needed. Brethren, please keep all of these important plans in your prayers that we might also do what is best to glorify God and to accomplish his good will in all things.

Well, I hope to see you all on Wednesday at our mid-week gathering, but also, I hope to see you this coming Lord's day as we gather to worship our Creator. Let's all take advantage of every opportunity to worship God and to serve Him in our daily lives. May God continue to bless us all in His service.

ELDERS' CORNER:

We rejoice that Brent & Ray have returned home safely from their trip to Ghana. They returned home Thursday evening. We look forward to their report on the school in Ghana as well as the local congregations there.

We express our thanks and gratitude to the men who served on the budget committee. We have had a chance to review their recommendations and will be addressing the congregation this Sunday following morning services. We will share our 2020 budget with you at that time and discuss our plans for both our budget and repair of the roof.

Remember that our Monday night BIM classes continue through April, with studies in Acts and Current Issues at 6:30 PM & 7:30 PM respectively. We encourage you to attend these classes, either in person or over the internet, so that you may grow in your knowledge and understanding of God's Word.

The Ladies Cookie Exchange and Mug Swap will take place this Sunday following our afternoon service. There is a sign-up sheet on the foyer table; Marissa Scharold can answer any questions you may have. Brother Nick Hausladen will be leading the devotional at the Men's Breakfast on Saturday, March 8th. Make an effort to participate in these events at the congregation.

Remember our members who are dealing with sickness and those who are healing from surgeries. Several of our brothers and sisters have upcoming surgeries. Bring their needs before the throne of God with thanksgiving. Philippians 4:6 and James 5:16.

In His service,
 David & Jerry
