MARCH 22, 2020 BULLETIN:

K.E. FAMILY LIFELINE

For God has not given us a spirit of fear, but of power and of love and of a sound mind. II Tim. 1:7

Brethren,

The elders are sending you this information concerning our regularly scheduled worship services and gatherings considering the current situation as our country deals with the Corona virus. Please remember:

- 1st – It is our duty to worship God and obey Him in all things as His children.
- 2nd –the elders are to guide, care for and protect the flock during all times, that each Christian can be encouraged and be able to worship God and serve him according to His commandments.
- 3rd – The corona virus has become a worldwide problem and thus affects us here in Springfield as well. In fact, yesterday both the Springfield City Council and the Greene County Commission issued emergency declarations prohibiting public gatherings of more than 10 people for the next 30 days. The regulations specify that no more than 10 can meet at one time in a single room or confined area but do allow for gatherings of more than 10 people in separate rooms/areas .
- 4th – Christians are to obey local authorities and rulers as long as they allow us to do what is in keeping with God’s will.

Accordingly, the elders have made the following decisions regarding our regular times of worship and Bible study. We make these changes, on a temporary basis, in order to fulfill our duty to God and, at the same time, comply with the laws of the land:

**ALL SERVICES AND BIBLE CLASSES
WILL AVAILABLE ONLINE ONLY VIA:
STREAMING FROM OUR WEBSITE

Also, BIM Monday night classes will continue online only for the time being. Classes are at 6:30 & 7:30 pm.

On Sundays, we will continue to have our regular Sunday morning bible class at 9:30 a.m. and our 10:30 a.m. worship service, online only. The Sunday afternoon worship service has been cancelled for the time being, but we encourage you to watch archived lessons or services through our website.

ELDERS' CORNER:

(Continued from front cover)

We also give the following suggestions:

1. We encourage you to continue worshipping God regularly by joining online for each opportunity of study or worship.
2. Please make sure to get some grape juice (100%) and some crackers (unleavened bread) to keep at home, in case at some point we are only able to go to online services and streaming. That way we could still worship together online, and you would have what you need to partake of the Lord supper on the first day of the week. (proper crackers are not always easy to find, so make sure and check the label on crackers, many have leaven or yeast in them).
3. Please, remember that Christians are also commanded to give on the first day of every week. So, make sure and send your contribution in by mail or drop it off at the church building or BIM during the week when someone is present, or plan to make up when we return to our to normal worship together.
4. If you are having difficulty getting online, or getting the necessary grape juice or unleavened bread, please let us know and we will be able to assist you. We have plenty of supplies at the building and at the BIM.
5. Remember, you can access our live feed of - services or archived services from any computer or smart phone by going to one of the following:

Brethren, these are unprecedented times of a global nature. We are striving to do God's Will, while keeping everyone safe and healthy. Pray also for our schools in Ghana, Uganda and Zambia who are also dealing with the same challenges. Please help us during this time to continue doing what we need to for God, while still being respectful of the laws and mindful of the people around us. Remember, God is in control of all things. With God's help and the help of one another, we will make it through these difficult times together. We love you all and God bless.

The elders and Ray
