BULLETIN

RAY'S REMARKS:

K.E. FAMILY LIFELINE

Hello all! I hope your July is going well. God continues to bless us all with a full and busy summer. I hope we are using it to His glory and making the most of every opportunity to grow and work as Christians.

Sunday was a great day as always. It was especially nice to have our guest speaker with us. I really enjoyed getting to know brother Scott and his wife Cheryl. They are really fine people and have an obvious love for God and His Work. Brother Scott also is very sound in the teaching of Christ. We pray that God will help us to make some good decision as brother Scott becomes more involved in our works. We always need more helpers and faithful workers to join us in the Kingdom of God.

It was also a great blessing to have the Sanders family place membership with us last Sunday. It is wonderful to have brother John and sister Tiffany back with us with there very beautiful family. There Children are Elli, Audri and Owen. I know we will all welcome them and we look forward to them getting involved in our work as we strive to put God first in all things and do all things according to His Will.

I was also thankful to hear that everything went well at Happy Hollow last week. Sister Robbie always does a good job with her day camp. We appreciate all of her hard work and all those who are involved in making her session a huge success.

It's hard to believe but brother Brent, Casey and Kevin will be returning this week. They leave Ghana on Thursday and will arrive back here in Springfield on Friday afternoon. They have done a great work while in Ghana. I know we will all continue to pray for them and their safe return to us later this week.

Finally, remember that VBS is just around the corner. Let's all be present, invite others and all do our part to make this VBS a huge success. See you there!

Well, remember to put God first in all things and you will never go wrong. With this in mind, I look forward to seeing you all tonight for our mid-week service. Also, remember that the Lord's Day will be here soon and we will gather as God's people to Worship our Creator before His very throne. May God bless us all as we continually do His Will. See you soon.

ELDERS' CORNER:

Our thoughts and prayers are extended to Jason Scharold on the passing of his mother, Tara, Thursday. Her burial will be tomorrow. It is a very difficult time when we lose our mothers. Remember Jason and his family in your prayers.

Our brother, Wesley Ewing, has been diagnosed with Alzheimer's. Our hearts go out to him as he deals with this very serious health problem. The Ewing family means so much to us all, as faithful workers in the Kingdom. Prayer can change things. Wesley needs our prayers.

We welcome home John and Tiffany Sanders and family. They are faithful workers in the Kingdom and will be a great encouragement to us all.

Several events are scheduled in the very near future. Our annual Couples Workshop will be held during the dates of August 2-3. Nathan and Ashley Cozort will teach in this effort. The Workshop will offer an opportunity for the ladies to have their own teaching during portions of the event. A flyer is available in the foyer of the building. VBS is coming soon during the dates of August 4-6. Your attendance is welcomed and needed at all these events. They are opportunities for us all to build on our faith.

Brent, Casey and Kevin will be coming home tomorrow after a successful mission to Ghana. We pray for their safe journey and look forward to seeing them all again.

This past Sunday we had the pleasure of having brother Scott Richards and his wife Cheryl with us from Atlanta, Georgia. We heard two great lessons from God's Word. Brother Scott is being considered to assist in teaching responsibilities here at BIM when needed and also focus on teaching in our schools in Africa. His presence with us was one of the last steps being taken before we approve his working with us. There would be no financial assistance needed from us as he has his own support. He has been working with preacher training schools in different parts of the world for over 9 years.

Also, present with us this past Sunday was the Timothy Phippen family from Columbia, Missouri. Timothy is a faithful member of the church. He is a part of a small group of men who are responsible for monies that have resulted from the sale of a church building in Columbia. The church in question is where brother and sister Lloyd Henson attended when they were in the states. His reason for being here was to make sure that we were a faithful church so that we would be considered for a donation from the fund that he helps to administer. His focus would be on the work in Zambia.

Thanks to Clyde and Robbie Heavin, there will be a watermelon eat after services Sunday evening on the lawn.

Hope to see you all soon at Worship.

Your Elders,
 Jerry and David
