Summary

Video enthusiast with a love for editing, who is looking to secure a working role in a practical media or television production environment as a runner or editor with an aspiration to work within an outdoors or water based environment as an editor. Has run his own production company since 2012 specialising in corporate and school events.

Work History and Experience

Editor September 2016 - Only

NHS Yorkshire and Humber

Alexander edited a short information documentary for York St John's University in connection with the NHS regarding the effects of alzheimer's and a recent study which was taken place. This content was shown at a later conference held in London.

Videographer December 2015 - Only

[Mason Williams PR](#)

Alex created a ten-minute corporate video showcasing the behind the scenes activities involved with a corporate photoshoot. The photoshoot involved Coleen Rooney, the new ambassador for Tomy Toys. Alex was required to plan, video and photograph, then edit the content which was shown at a later event. This is available to view at www.alexdaviesvideo.com/portfolio.

Videographer and Editor November 2015 - September 2016

Dovestone Sailing Club

Alex created two videos for this organisation, one for the club's annual Christmas Ball and the other for the Youth Training. Alex took a recollection of the years photographs (2015) and created a short video which was played to all the members at the Ball. The youth video contained both photographs and videos from the start of the course in March 2016 until August 2016, allowing the sailors to assess their improvements and more importantly remember their summer activity in the future.

Videographer and Editor May 2016 - Only

Personal Project

Alexander created a short piece to camera with a cancer patient which was played to family, friends and colleagues at a farewell party prior to his passing away.
