

Piikani Money Campaign Final Assessment Consent Form

The Piikani Money Campaign is a program that was conducted on behalf of a coalition, comprised of several organizations, institutions and Blackfeet tribal agencies. The purpose of the campaign was to provide urgently needed information about financial and predatory practices to enrolled tribal members who received offers and potential payments from the Federal Land Buy Back program in late 2016.

The final assessment on the following pages is for the Piikani Money Campaign to gauge how the campaign has impacted tribal members' financial decisions regarding Land Buy Back one-time payments.

Confidentiality

Your name will not be connected to the final assessment responses, so your personal identity will remain anonymous. No one will be able to link you to the responses that you make.

Participation

Your participation in this final assessment is voluntary and you are not required to participate.

Benefits

Your responses will help determine the effectiveness of the Piikani Money Campaign with regards to how it has provided education and financial awareness for tribal members to make healthy economic decisions.

Risks

There are no known negative effects for taking part in the survey.

Prize
