

Future Indiana Innovation, Direction, and Priorities for Brain Injury Education and Vocational Rehabilitation

**Resource Facilitation Regional Conference
2016**

Steve Upchurch, MA and
Lance E. Trexler, PhD, FACRM

Possible Priorities

- Increase Brain Injury Screening – Recommended Strategies?
- “Brain Injury Specialists” for providers?
- Collaborative outreach between VRS and RHI RF RTC to target other organizations or agencies to promote brain injury capacity?
- Develop other strategies for training
 - Lunch and learn?
 - Web-based delivery systems?
- Brain Injury Resource Fair – Network Development?

Brain Injury takes a Village
