**Mark your calendars!** Building on last year's success, we are proud to announce the statewide dates for the 1st Annual Brain Injury & Resource Facilitation Regional Conferences. We are again holding three regional conferences, with one in the north (Fort Wayne), south (Evansville) and central (Indianapolis) regions.

The north and south conferences will be one-day events, while the central conference will be a two-day event, where there will be more emphasis on substance abuse education with guest expert Dr. Carolyn Lemsky, Clinical Resource Director at Community Head Injury Resource Services of Toronto. **Note:** Both central days will be recorded and made available at a later date.

The goal of these regional events is to improve vocational outcome for Indiana's brain injury population throughout the state. To achieve this, we will provide cutting-edge brain injury education and promote the collaboration of community resource providers. Leading brain injury experts, Drs. Lance Trexler, Quratulain Khan, and Ed Haskins, along with other RHI staff will present. Due to popular demand, we have included a panel of experts and a Resource Fair at each event.

### Who should attend:

Vocational Rehabilitation staff, employment specialists, Indiana employers, professionals in the field of brain injury, agencies, service providers and students.

### How much will it cost?

Location	Full Registration	Employment Specialist	VR Staff	Students
Central (2-days)	\$225	\$175	\$50	\$75
Central (1-day)	\$125	\$100	\$25	\$50
