## Summary:

State Conference Voting Delegates will attend the state conference as representatives of the school. It will be the delegates' responsibility to campaign for our state officer candidate, vote for the coming year's state officer team, and to debate/vote on any items of business that the state may propose. Delegate Managers, Campaign Managers and advisors will work with delegates to ensure that they are prepared and comfortable in any roles they are assigned.

You can NOT participate as a voting delegate if you are competing in a technical event, a freshman event, or certain leadership development events.

Due to cost, some leadership contestants will be dual registered as voting delegates.
