1) When you think of the word "Respect" what comes to mind?

2) Have you ever felt confused about how to respond to something someone says or does to show you respect? If so, how did you respond?

3) Read 2 Kings 5:8-18. Identify the person/people who do or say something that shows respect.

Person/People	Actions/Words of Respect

4) What stands out the most to you about the way that Elisha responds to Naaman's words and actions of respect in 2 Kings 5:8-18? Why does this stand out so much?

5) Read Luke 19:1-10. How do Jesus and Zacchaeus show respect for one another in the passage?

R.E.S.P.E.C.T: Getting & Giving Respect (01/22/2019)

- 6) The people witnessing the respectful exchange between Jesus and Zacchaeus are both surprised and somewhat offended by it. What's an example of a respectful exchange that a believer might share with a person today that might surprise and/or offend people who witness it?

- 7) Both Naaman and Zacchaeus' acts/words of respect were in response to something God did for them. Do you think people today are more motivated to show God respect for who God is or for what God does?

- 8) Jesus didn't show Zacchaeus respect because he deserved it and Elisha didn't show Naaman respect because he'd earned it. Jesus and Elisha showed respect to unlikely people so that those people could know God in a meaningful way. What motivates you to show respect to others?
