TENNIS SENIORS WESTERN AUSTRALIA

Information for Applicants for Membership (Please keep for your information)

The Veterans Tennis Association of Western Australia (Inc.) was founded in 1972. The trading name was changed to Tennis Seniors Western Australia (TSWA) in 2006. The objects of the Association are:

- (i) To promote and encourage veterans, irrespective of standard, to play and continue to play tennis.
- (ii) To encourage the playing of tennis by veterans in the spirit of love and enjoyment of the game and to provide facilities for the playing of the game.
- (iii) To promote and encourage the holding of events, within Western Australia and elsewhere, for veterans.
- (iv) To become a division of the Tennis Seniors Association of Australia and to work in conjunction with the association and other divisions thereof.

The Association is a division of the Tennis Seniors Association of Australia and is an Associate body of Tennis West.

The Association organises a wide range of tennis activities for its members. Our annual State Championships are held for all age groups in the Association. Teams participate in the Annual Australian Seniors Interstate Championships which are held in a different city in Australia usually in January. The Association arranges social matches against tennis clubs in the Perth metropolitan and country areas on either Sunday mornings or twilight Friday evenings and against the seven schools which, constitute the Public Schools Association.

Round Robin Tournaments are held in some country areas over a weekend. During the summer months a Tuesday night competition is run between teams consisting of 3 men and 3 ladies each of whom must be members of the Association. In the winter months a Saturday afternoon winter competition is organised. Also in the winter a mid-week ladies pennant competition is held on Wednesday mornings. A number of social functions are also arranged. It is the custom of the Association for members to wear the uniform whenever they represent the Association.

Applicants become eligible for membership in the year in which they attain the age of 35. The Association issues a newsletter called the "Vetscene" to all its members four times a year. It is the principal means whereby members are kept in touch with the activities of the Association.
