Buckeye member, Fred DeGordon, brought forth a proposal for a monument to be placed at the Ohio Western Reserve National Cemetery near Rittman, OH. The monument would be engraved with the names of all Clubs in the East Ohio Region and be placed in the memorial garden walkway. He asked that the Governors go back to their Clubs and ask for a donation to fund the memorial. There are different levels of memorials and Fred is hoping to raise enough money so that it would be in the top category and need approval by the Federal Government.
