## Membership

Our first meeting at The Portage Crossing Market Place, a part of the Giant Eagle in Cuyahoga Falls, was Monday November 7. The address is 2687 State Rd, the meeting room is over the liquor store part of the Giant Eagle Store, use the entrance closest to the Starbucks Coffee. There is an elevator to get to the second floor. We all enjoyed eating the various foods that are available to purchase at the Market Place. Some enjoyed Pizzas, Broasted Chicken & JoJos, Sushi, Oriental Dishes, Sub Sandwiches, BBQ Sandwiches, Soups & a Salad Bar. We, the officers hope that the members will come, order some of the different foods available, take their dinners to the second floor meeting room and attend the meeting.

We had 22 members join us for this meeting. The club had decided that this will be our monthly meeting place from now on. We are hoping that more and more of our members will start coming to the meetings.

The renewals for National Council of Corvette Clubs and Tiretown Corvette Club is now complete. We only lost two people. We now have 65 members, several of our members are out of town and cannot make the meetings but the officers of TTCC are hoping that all who are in town will come to support the club and our new meeting place at the next meeting, December 5.

Don't forget the TTCC Christmas Party at Peg Quine's on Saturday, December 10. The TTCC banquet will be Saturday, January 28.

Hope to see you at the meeting...call or email me if you need further information.

*Diana Bray*

## **Ruman Reigns Again – Crowned 2016 Trans Am Champion Captures 3<sup>rd</sup> Win of the Season at Daytona Finale 2<sup>nd</sup> Consecutive Championship Title Team wins Crew of the Year Award**

**Daytona, FL** – More history was made on Saturday with Amy Ruman scoring her third consecutive win at Daytona International Speedway and earning the 2016 Trans Am Championship title for the second year in a row.

### **The Daytona Race Report**

Ruman was nine points down from Paul Fix in the Trans Am Championship coming into Saturday's race. She started second on the grid after a super tight qualifying session – just two-tenths of a second separated Ruman (01:44.794) and Fix (01:44.541) on the front row. Ruman, in the **No. 23 McNichols Chevrolet Corvette**, vied with Fix as the two sped away from the field. Fix retired with mechanical issues 10 laps into the 29-lap race. Ruman took over the lead and never looked back, taking the checkered flag ten seconds ahead of the second place finisher RJ Lopez. The win at Daytona marked Ruman's third win in a season of ups and downs that ended on a high note.

### **Ruman's 2016 Season**

This is the Trans Am Series 50<sup>th</sup> anniversary year and the Ohio based Ruman Racing team has competed in the Series for 20 years, fielding Ruman's father Bob before Amy took the reins. Amy Ruman's first Championship last year brought the Series its first female Champion. Ruman now has an overall Trans Am win total of sixteen, nearing some of the all-time race winners in Trans Am history. She was the first woman to capture a professional road racing title and can now add another to that count.

Ruman finished the year with 299 points over Paul Fix's 290, with Simon Gregg taking third place in the final tally in the race for the Trigon Trophy Championship. In addition, the Ruman Racing team won the Pitboxes.com Pit Crew of the Year award thanks to the strong performances of Mike Edmunds, Bryan Salchak, Dave Skinner, Eric Conley, and Jerry Waltenberger.

### **Ruman's Reflections**

"I woke up thinking 'you know anything can happen, it's racing,'" said Ruman. "Mechanicals happen. Traffic can play a role. Paul could win; I could win. When it boiled down to one race, anything can happen. Even last year all I had to do was take the start, and I was still nervous about that. What it boiled down to is simply that, anything can happen. I mean look at the Cavaliers, down 3-1, I'm from Cleveland – you have to believe!"

"What a great way to finish out a 50<sup>th</sup> Anniversary season for the Series," continued Ruman. "My hat is off to Paul Fix and the Ave team; they've worked hard all year, too, and we've both had up and down seasons. It's unfortunate what happened to them but we persevered and won."

"I'm happy to have been the first female champion, and backing it up again feels even better. It just shows you have to keep working hard, keep believing, never give up," exclaimed Ruman. "I have an amazing crew and an incredible sponsor in McNichols Co. and I am proud to deliver another Championship with both of them!"
