MEETING LOCATION FOR APRIL 3

THE VENUE on Tallmadge Circle

Food and Beverages will be available for purchase from the Firehouse menu meal and socializing 6 PM – 7:15 PM

From the President

Diane and I just returned from our vacation trip to South America, so I am just getting caught up.

The April Membership Meeting will be held at The Venue in Tallmadge on April 3rd. This would be a great meeting for you to attend, as the officers will be covering new information on our plans and dates for 2017 Events. This Newsletter will also have additional details. We are planning on returning to Lakemore Waterworks Park for Membership Meetings, to be held May through October. A discussion on this will be held at our April 3rd Membership Meeting.

Hope to see you April 3rd at the Venue.

Bonnie Smith, Secretary

Well here we go again! It is the end of March, a little sun peaks out each day, starting the juices to flow to get America's true sports car out of hibernation and onto the streets. I am sure ready to get behind the wheel and hear the performance under the hood. During my first two articles, I wrote about competition and where to find those events on the NCCC website. I hope you took some time to familiarize yourself with the process. Remember, practice, aka seat time, makes perfect.

The end of April opens the competition season in this Region. The first events will be the traditional shows at Progressive Chevrolet in Massillon. (There is a flyer in this issue) Competition has already started in other Regions due to warmer weather. In a couple of weeks, we will be going to Tire Rack in Indiana to run some autocross events - the 8th& 9th of April, there are 14 events in two days. I'm sure somewhere down the road, you will see this in our Region.

Here are some pointers that will help make your 2017 year of Corvetting a little easier. Remember a couple of months ago when you received an envelope in the mail from the NCCC Distribution Center? Hopefully, you did not treat it as junk mail and put it aside. In that envelope were your NCCC Membership cards. If you haven't already done so, open that envelope, take your card (the back has your name and NCCC number on it) and put it in your wallet. The other card belongs to your spouse, significant other, or companion as the case may be. Give the card to them and tell them to do the same as you did. When attending an NCCC event, you will need the number on the back when you register to earn your individual points and also club points for Tiretown. You say there was only one card, well then talk to Diana to get your spouse, significant other, or companion signed up into Tiretown and NCCC.

Plan what events you want to attend as far in advance as possible. Look for meeting sites to travel as a group. The more the merrier. Also, if you have trouble, someone is there to help you. Prepare your car for the type of event you are going to attend. If you are attending a car show or concours, don't wait until the day of the event to do the heavy cleaning. Get it done ahead of time, so the day of the event, you just wash the windows, get the bugs off the front, set up your shade device, and pop a cool one...Coke or Pepsi.

As the months go on, we will discuss rallyes, concours, and autocrossing. Please don't be afraid to try each of these different events. Everyone has to start somewhere. Most of all, become more active in Tiretown events, dinners, socials, meetings, or anything the Club does. That's why you joined, isn't it? Become involved and enjoy your car and others to the MAX. Thanks for taking the time to read the article.

Peg Quine – Governor

Monument project for The Ohio Western Reserve National Cemetery

Fellow East Ohio Region Members;

I am Fred DeGordon president of Buckeye Corvettes and I am the one that started the Monument project for The Ohio Western Reserve National Cemetery way back in September 2016. I presented my ideas to the EOR Governors, and was given the go ahead. This monument was going to cost \$5,000. I was informed that all funds would be donations and none from the EOR. Peggy Stevens Treasurer EOR would handle all funds in a separate account. We have around \$5,200 and with the approval presented by Congressman Jim Renacci at the awards banquet on March 4th and with the letter of approval in hand from the Department of Veterans Affairs, I have ordered the monument from Lang Monuments, (see picture below) It will take about three months to laser etch and glass bead, when the monument is finished and after the inspection by the Cemetery Manager Matthew Metschke, we can schedule a dedication date. Due to our busy summer schedule we are looking at Saturday October 14th this is only a tentative date until monument is approved. All dedications take place on Saturday at 12 or 1:00 o'clock.

At this point I believe we are over half way. The Dedication will be something to attend, from taps to 21 gun salute, to bagpipes. The paper work for two CH 47 Chinook helicopters to fly over is awaiting a firm date.. I informed the cemetery manager we could put 200 Corvettes in his Cemetery. Speakers should include a retired Army Major (club member) maybe Congressman Jim Renacci and Fr. Bob (club member) for the benediction.

A big thank you to all the clubs and members that have supported this mission, to Regional Executive Terry Muich, Treasurer Peggy Stephens for the support and encouragement. A big thanks to the over 1,100 members of the East Ohio Region, About 400 that are veterans, living the American Dream.

Thanks,

Fred DeGordon
