The Prez sez.....

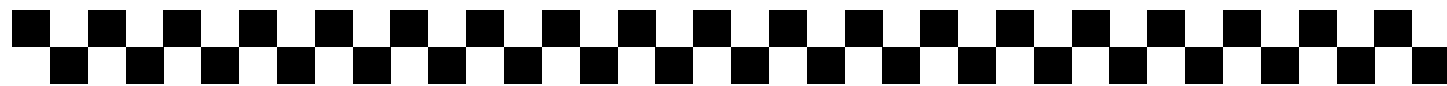

Spring is here according to the calendar, but I thought it was to have green grass, kids outside playing and sleek cars. I must be living in the wrong time zone. At any rate, the time will be here soon and we need to be ready to enjoy it. Our April meeting will continue to be held at the Venue starting around 7:30. Come early and enjoy some social time and supper with fellow Tiretown members.

Also in April will be the first car shows of 2018 at Progressive in Massillon. Look for the flyer in the newsletter and an email blast the week prior to the show for updated info. Plan on spending quality time with fellow Corvette owners.

Later on in April is the annual spaghetti dinner. Elaine and I will be overseeing this years' dinner but would encourage some newer members to step up and work with us to learn how it is done and even improve on past dinners if that is possible. We will be at a new location thanks to the leg work of Jackie and Frank. See the flyer.

As a final thought, your board of directors is working to make your Corvette experiences enjoyable. We can not do it alone. We need and encourage your ideas, attendance, and participation in events and meetings. Please make your views known to all, not just secretly. We cannot adjust anything that may be troubling you unless you make it known and are willing to participate in the process .
